Message from Campus Principal - Matt Jobling

“Try and fail, but don’t fail to try.” Stephen Kraggwa

Year 7 Boys Soccer Achievement

Kurnai College Year 7 Boys Soccer team competed last week at the Gippsland Sports Region Championships and finished runners up. Year 7 students from both Morwell and Churchill Campuses joined together to represent the College on the day. Congratulations to the team and thanks to the staff who assisted.

Year 9 Melbourne Discovery Camp

Last week the year 9 cohort spent most of the week in Melbourne on a Discovery camp. A busy itinerary ensured students were active and engaged throughout the day and evening, as well as providing opportunity to experience a range of activities in the city. The opportunity to spend time with other students and staff was also a valuable learning experience. Thanks to the staff who planned and supervised another successful trip.
Year 10 Course Counselling

Year 10 Course Counselling was held in the Language Centre last Wednesday afternoon extending into the evening. Students and their parents/carers were able to meet with staff from the senior campus to discuss the options for next year and beyond. Churchill Campus staff were also available to support the counselling process. From all reports the students were well prepared and courses are now being put together in readiness for 2016.

Tournament Of Minds

Last Saturday a team of our students competed in the Tournament of Minds event held at Federation University Australia. The tournament involved students being challenged to work together and exercise their thinking skills in a variety of endeavours. It required the team to work together and demonstrate persistence in exploring creative solutions to the problems they encountered. The students had spent time together before the event in preparing themselves to compete with the support of Ms Lynch. A report on the tournament will be included in the next newsletter after the team have received feedback from the organisers of the event.

Stress Down Day

On Friday the SRC has organised for a Stress Down Day to highlight Mental Health awareness and give students and staff an opportunity to participate in a range of activities to relieve stress. A guest speaker from Lifeline will also deliver presentations to each year level. Students are welcome to come to school in ‘comfy’ clothes on the day with a gold coin donation which will go to supporting Lifeline Gippsland. The first four periods of the day will be slightly shortened to allow for a longer period 5 where the activities will be run. The school day will finish at the normal time of 2:50pm.
Junior School News

Year 8 English

Students are still working their way through the Literature Circles unit, in which they are reading their own horror book and contributing to discussions about it on Schoology. This work is part of their Horror unit, in which they have been reading a number of different examples of short stories within the horror genre. Students are also writing their own horror story.

Year 7 English

Students are working their way through the English component of their Castaways project. They are writing diary entries based on the retell, react and reflect model that they have previously worked on in English. Next week they will be creating the front page of their Time magazine cover which details their ‘rescue’ from the deserted island.

Devices

Please ensure that your child’s device is as up to date as possible and fully charged. Several students are bringing their devices in with little to no charge and wasting time getting them charged. We have also had several students asking for help with technical issues not related to the networks which we cannot help with. Please ensure that your child understands that the school is not responsible for maintenance of personal devices.

Kurnai College is taking part in the Woolworths Earn & Learn program. You can help the College by collecting Woolworths Earn & Learn Points. Just collect Woolworths Earn & Learn Points when you shop at Woolworths between Wednesday 15 July and Tuesday 8 September 2015. We will redeem these for educational resources for our College.

The more we collect, the more we can redeem. There are thousands of products available through the Woolworths Earn & Learn program. Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more.

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at the campus.
Year 9 Melbourne Discovery Camp

Tuesday the 18th of August at 7:30 am; a group of year nine students and teachers from Kurnai College Churchill eagerly waited for their train to Melbourne. Two trains, and a long walk lugging their luggage behind them they finally arrived at Melbourne Discovery Hotel. When arrived they had an introductory session (I’ll spare you the long boring details), were given room keys and had to walk up the 96 steps (yes we counted) to get to their floor.

They sort of settled into their rooms before going out in to the big city for a bit of lunch and the Yarra River Cruise. The Yarra River Cruise included a lot of beautiful sights. After the Cruise they hung around Federation Square for little bit before heading back to the hotel for dinner. After eating the delicious food all students and teachers headed to the Eureka Sky Deck; a lot of students went on the Edge! Then it was off to the hotel for showers and bed.

The next day we got up early and had breakfast at 7:00 am!! After breakfast we headed to Hardrock Climbing Centre and climbed some climbing walls. Some people are crazy! After rock climbing we were off to Melbourne Central for lunch. Then headed to the Museum for the afternoon. We went through the dinosaur walk, body and mind, the museum’s garden walk.

After the museum trip we went back to the hotel. We spent a few hours at the hotel before going out for dinner. We ate different pizzas and went to IMAX to see the new Mission Impossible Rouge Nation. We got back to the hotel at around 11:30 pm.

We got a sleep in the next day and didn’t get up until 8:00 am, we had breakfast and headed out at 9:00 am to start on our scavenger hunt around the city. After our scavenger hunt we ended up at Federation Square. We all got lunch around Federation Square and then split into four different groups. Some students went to Spencer St Outlet, some went to do opp shopping, some did a graffiti tour and some did a photography challenge. It was great fun. After all the students came back from their groups, half went to the Old Melbourne Gaol, while the others toured the State Library then after an hour we switched. After that we all headed back to the hotel and ate dinner a little earlier so we could go to Galactic Circus and play Laser Tag! (Even the teachers joined in) Then we back to the hotel and off to bed! (our last night)

The next day we woke up and had breakfast packed our stuff then we were all off to the Victoria Markets. After two hours at the markets we all came back and grabbed our luggage and lugged it all the way back to the train station. As we tiredly waited for the train, we finally got on the train and got back to Morwell at 2:45 pm. Now, back at school, students (and teachers!) wish they were back on Melbourne Camp.
McDonald Way Entrance to school

Due to the wet conditioners please be advised that parking on the front lawn area between the roadway and the front of the school is not permitted. This area has become extremely muddy and is dangerous as we have had a vehicle slide into the fence in the past.

2016 Anticipated Loadings for Contracted Country School Bus Travel

At this time of year we assess what students may be enrolling into the College for 2016 who require bus travel. This information enables us to work out any changes that may be needed to allow families to have the best possible outcome of getting their child to school and evaluate seating capacity on each bus.

Existing students who already access services are presumed to be continuing their travel in 2016 (exception Year 12 who are leaving). If you have not already advised the school of any requirement for bus travel in 2016 please do so immediately.

Please be aware that if you change your address or living arrangements a new bus form (TR701) is required to be completed and processed before travel can be approved.

Our College has Emergency Management Procedures in place so it is important that your family contact information is updated as soon as possible.

If you should have any queries whatsoever in relation to student travel please do not hesitate to contact me on 51650 610

Leonie Mackie, Morwell Bus Network Coordinator.

Public Bus Travel For Ineligible Students—MYKI Card required

- Morwell students attending Churchill Junior Campus
- Traralgon students attending University Campus and Churchill Campus

Students who are not attending their closest school are not eligible for conveyance allowance (assistance with financial costs to travel to school.) Please refer http://www.education.vic.gov.au/school/principals/finance/pages/conveyance.aspx for more information.

Public Transport services are available so we encourage families to purchase either a Student Yearly or Half Yearly Concession with MYKI Card from their local V/Line Station. This allows your child to travel anywhere within Victoria for free as per PTV website.

Concession cards can be used on the following services:

- train, tram and bus passenger services operating in metropolitan Melbourne

- on train and bus passenger services operated by V/Line throughout regional Victoria

and other public transport services operated under contract or service agreement with Public Transport Victoria (PTV). Please refer to http://ptv.vic.gov.au/tickets/concessions
Kurnai College Music What’s Happening ......

Kurnai Idol UPDATE

Across the College, students have been participating in weekly rehearsals and performances that allowed them to strut their stuff in the hope in making it into the 2015

Kurnai Idol Grand Final.

The following students are now that one step closer in being in the Grand Final, where they will contend for prizes, trophies and the title of becoming this years’ Idol Champion.

Students must first compete in the Semi final, where each will present one item with musical accompaniment. Those successful in pleasing the judges will then go into the Grand Final, where students will perform two items with a fellow student accompanying them.

Family, friends and the extended community are most welcome to attend.

In the Semi Finals are:

Morwell campus
Gabrielle Hines, Tayla George, Alesha Wolfe, Casey Shorr and Carlin Graham

University campus
Travis Towers, Michelle Hawkes, Sera Kingston, Sherlock Zhang and Breeann Corrie

Churchill campus
Tammin Stanbridge, Jamie Iorangi, Chloe Libreri, Dakoda Jenkins and Zekinthia Halge

Dates and Venues...

Fundraising

The collection of bagged Aluminum drink cans can be placed at the front office and mention that it’s for Music.
Hi Everyone,

In this week’s newsletter I thought it may be helpful to discuss the importance of calcium intake during adolescence and I have included local service availability for immunisation catch up sessions.

In the previous newsletter the importance of Vitamin D was explained. Now we need to consider the interplay between Calcium and Vitamin D. The uptake of calcium depends on adequate Vitamin D (from the sun or supplements) which is converted by the body into the hormone Calcitriol or “active vitamin D”. This is essential for calcium absorption into the bones and teeth. During adolescence there is an extraordinary amount of bone growth occurring, so the intake of calcium in the adolescent diet is important to prevent bone complications in later life.

Below is the recommended nutritional advice for dietary calcium intake and the recommended servings for different children’s age groups. I have included the adult recommendations from the Better Health Channel.

I hope you find this information useful.

---

**CALCIUM**

Calcium is a mineral that is important for strong bones and teeth. Low calcium intakes have been linked to osteoporosis in later life. The major sources of calcium in most Western diets are dairy products such as milk, yoghurt and cheese. Other good sources of calcium are bony fish (canned salmon and sardines), almonds, fortified soy products and fortified rice beverages.

Small quantities of calcium can be found in other nuts, some dried fruits, sesame seeds and green leafy vegetables (spinach, parsley).

Milk allergy is the most common food allergy affecting young children. A large number of children with milk allergy also have soy allergy so obtaining enough calcium from other dietary sources can be difficult.

The table below lists the calcium content of a number of foods.

1 serve of calcium is equal to 250mg. The following amounts of food provide on average one serve of calcium.

<table>
<thead>
<tr>
<th>Food Product</th>
<th>Serve size = 1 serve of calcium (250mg)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cow’s milk</td>

**Immunisations:**

The next sessions for Churchill are:

**When:** Tuesday the 8th of September and Tuesday the 8th of October

**Time:** 1pm-2pm

**Where:** The Churchill Hub, Philip Parade

Contact: If you have any questions regarding your child’s immunisations, please contact Latrobe City Health Services on (03) 5128 5665

Royal Children’s Hospital Immunisation Service tel (03) 9345 6599.

You can apply for an immunisation history if you have lost track through either the Latrobe City immunisation services or Medicare. Follow the below links to the websites.

MEDICARE IMMUNISATION REGISTER

Have a great day!

**Kind Regards,**

Laura Van Stijn

Secondary School Nurse—Kurnai College
ARE YOU EX NAVY, ARMY, OR AIR FORCE?

Then Carry On (Victoria) may be able to help you with education costs if you meet our eligibility criteria.

If you have served in the Australian Defence Forces or Allied Forces and you wish to apply for a Secondary Education Grant for 2016, please telephone Carry On (Victoria) on (03) 9629 2648 to establish eligibility and request an application form.

Carry On (Victoria) assists Secondary School students in Years 7-12 with grants for expenses such as fees, books, uniforms, excursions etc. For those students going on to Tertiary Education a grant may also be available.

Children whose Parent/s or Legal Guardian/s have a need for financial assistance and comply with our eligibility criteria may apply. All grants are income tested and applications should be submitted by 29 October 2015.
Short period Homestay Families Required

Kurnai College will be hosting the last Chinese Study tours early next term. We are looking for families who would be interested in hosting a Chinese student/s for two nights.

While at Kurnai, they will be participating in a mix of English Language classes located at the University Campus and immersion classes at the Churchill Campus. These classes will be followed up by organised afternoon activities in the local area.

The Homestay will provide a welcoming, nurturing and safe environment for young students, as it will likely be the first time these students have been out of China. If possible, it may pay to consider having two students billeted with your family making it less daunting and easier for the students.

Hosting an international student will be very rewarding and offers a wonderful opportunity to learn about a new culture and share our Australian way of life. This would be a great opportunity to consider for our students who are currently studying Mandarin or have/will be participating in our trips to China, either later this year or in coming years.

Host families are paid a nominal fee of $20.00 per night per student, which is to assist with food, accommodation and transportation as required for students that are living with them.

The dates for the last visit are:
7th – 9th October  Students from Dalian, age 14 - 16 years

If you are interested or want more information please contact Corine Noblet on 
(03) 51 323 800 or noblet.corine.j@edumail.vic.gov.au.

Or complete the below form and return it your General Office.

Expression of Interest form

I, ______________________________ the parent/s of ____________________________ (student’s name) am interested in assisting Kurnai College in being a Study Tour Homestay family.

We would like to have [ ] 1 student [ ] 2 students, [ ] male or [ ] female stay with us.

Please contact me on this number to get more information ______________________________
Emergency Services Program
Tuesday 6th and 13th of October

Secondary school work experience

Secondary school work experience can be an extremely valuable experience for young people. Zoos Victoria has developed a secondary school work experience program to inspire the next generation of youth to be inspired to work with wildlife.

Each year, Zoos Victoria selects a limited number of students as part of their work experience program to gain experience at one of Victoria’s three zoos; Healesville Sanctuary, Melbourne Zoo or Werribee Open Range Zoo.

Although the programs are slightly different at each property, we hope that all students finish the week with a deeper appreciation for wildlife and the environment we share with them.

The program is an all-weather, full day work program (start and finish times vary per property). Successful students will be required to perform physically demanding manual labour duties under supervision.

Zoos Victoria accepts applications one year in advance from interested secondary students.

To apply for a 2016 placement:

Students must choose one property to complete their work experience placement (Note: students can only apply for one zoo property: Healesville Sanctuary, Melbourne Zoo or Werribee Open Range Zoo).

Students must write a cover letter detailing how they meet the criteria listed in the property role description:

- [Healesville Sanctuary Role Description](#) (PDF 123KB)
- [Melbourne Zoo Role Description](#) (PDF 180KB)
- [Werribee Open Range Zoo Role Description](#) (PDF 121KB)

Students must complete the Work Experience with Animals form, have it signed by their parent or guardian and submit it to their school’s Work Experience Coordinator for consideration (Note: schools can only nominate one student application per school).

- [Proposed Work Experience with Animals Summary of Students’ Experience](#) (PDF 296KB)

The application is then submitted to the zoo by the school’s Work Experience Coordinator through completing an online application. This can be viewed via this link:

[Zoos Victoria Work Experience Online Application](#)

(Note: applications submitted from students directly to the zoo will not be considered).

Who is eligible?

Victorian secondary students aged over 15 years are eligible for the program.

School Careers Coordinators can only endorse one student per school.

Application timelines

Online applications for the 2016 Secondary School Work Experience placements will be open from **Monday 24 August 2015** until close of business **Friday 18 September 2015**.

Only applications submitted between these dates will be accepted.
Upcoming Excursions / Camps

To ensure the smooth organisation and running of camps and excursions we request that permission forms and payments be returned to the school by 2pm on the return date on the permission form. This enables the purchase of train tickets, food and venue tickets etc in a timely manner.

**Excellence:** We do the best that we can do

**Work Ethic:** We are committed to working hard

**Relationships:** We value and respect each other
Swooping Magpies

Staying safe

- Wear a broad-brimmed hat and sunglasses or shelter under an umbrella to protect your face from swooping magpies (painting or sticking large ‘eyes’ on the back of your hat can also deter magpies—but this won’t work for cyclists).
- If a magpie swoops while you are cycling, it will probably stop swooping if you get off your bike and walk.
- Avoid ‘defence zones’ by taking alternative routes during the breeding season.
- If you must enter a ‘defence zone’, magpies will be less likely to swoop if they are watched constantly, or if people walk in a close group.
- Use signs to warn others of the location of nests and defence zones, particularly in areas used by children and the elderly.
- Waving sticks or umbrellas in the air or attaching a brightly coloured flag on a long pole to your bicycle can stop magpies from swooping.

Being magpie-friendly

- Don’t fight back if a magpie swoops. Throwing sticks and stones or yelling at a magpie are likely to make it more aggressive next time anyone enters the defence zone around their nest.
- Never approach a young magpie. Fledglings that have just left the nest or have fallen out are likely to be under the watchful eye of a parent. If you pick them up or get too close the parent bird may think you are a possible predator and become defensive in the future. If you believe they are at risk, wait until after dark before you pick them up and place them back in a tree.

Magpie resources
