### Message from Campus Principal - Matt Jobling

"We are what we repeatedly do. Excellence, therefore, is not an act but a habit." Aristotle

### Anzac Day

Churchill Campus student leaders and Australian Air Force Cadets Flight 424 Squadron have represented Kurnai College at local ANZAC Day ceremonies at Yinnar and Churchill. Year 10 School Captain Chloe Libreri and Vice-Captain Kim Gordon (pictured) marched and laid a wreath at the Yinnar ceremony and School Captain Hayden Kimpton and Vice-Captain Justyce Rota laid wreaths at the Churchill ceremony. The College was also represented by a number of other University, Morwell and Churchill Campus students and staff who marched and laid wreaths in remembrance at the ceremonies in Port Albert, Yinnar, Churchill and Morwell. We would like to acknowledge and congratulate all these students on their presentation and participation in such a special event in our community.
Grade 5 & 6 students from our local primary schools are spending the day with us on Friday 22\textsuperscript{nd} May as part of our transition program supporting their entry to secondary schooling. As a consequence we will have modified attendance requirements on that day to accommodate the extra students and have staff available to run the program. Selected Year 7 students will provide assistance to the primary school groups on the day. Selected Music students from across year levels will be involved in music rehearsals. Year 9&10 Outdoor Ed students will be on camp. Year 10 students will have an exam revision program for the day. Otherwise students will not be required, however a modified program will be available should they wish to attend.

Parents Contacting Students

Recently we have had instances where parents have contacted students via mobile phone during class time resulting in disruption to the class and at times when a student may need to leave the school caused unnecessary confusion due to a lack of communication with the school. We have also reminded students that they need to let staff know if they are unwell rather than directly contacting parents to be collected leaving the school uninformed. It is important for the school to be aware of the need for a student to leave the school for any time during the normal school day. If it is an emergency then please contact the office on 51323700 and we can organise for the student to be ready to be collected and/or support the student if they become anxious about the situation. Students have recess from 10.40-11.00am and lunch from 1.05-1.45pm if parents need to contact or send them a text. Helping students learn appropriate phone use in a work environment is an increasingly important lesson and we appreciate parents support in this area.

Progress Reports

Every 4-5 weeks the Campus prepares Progress Reports for students that indicates the level at which they are displaying behaviours that are important for learning. The Progress Reports will be published online through our student management system – Compass - with the name Learning Behaviours Updates. New families and anyone who has misplaced their log-ins can contact the Churchill Campus office on 51323700 to obtain their log-in details. If families are unable to access Compass or require a printed version of the report, this can also be arranged by contacting the office. The next report will be available online from Thursday 14 May. The reports create a valuable opportunity to discuss how students are going at school and are most useful in setting targets for improvement in particular areas for the next report. If there are any concerns relating to the report please feel free to contact the relevant teacher or Team Leader via the Campus office on 51323700.

Kurnai College Four Pillars

Engagement: We actively participate in our own learning
Excellence: We do the best that we can do
Work Ethic: We are committed to working hard
Relationships: We value and respect each other
Farewell To Out German Exchange Students

Our German exchange students headed home recently after 10 weeks of life in Australia. The students wanted to thank everyone for contributing to their positive experiences throughout their trip and expressed a desire to return again in the future.

“I really enjoyed my time in Australia and at Kurnai College as the teachers and the students are very nice and it was easy to make new friends. It was really interesting to experience the school days at Kurnai College and I’m very happy that I could go there. I felt really well in my family the last 10 weeks because they have taken care of me very well and enabled me to experience Australia as we made a few trips. Staying here in Australia and witnessing the beautiful scenery was a really good adventure for me I will never forget. Now, after my stay here, it’s very hard to leave Kurnai College and all my new friends but I plan to come back when I finished school. In addition I hope that the Kurnai College will continue to welcome exchange students like me. Thank you very much and many greetings.”

Christine

“The school was very different here, but I really enjoyed it. I like the way of how your school system works. It is much more based on problem-solving than in German schools. I didn’t expect to understand and learn very much, but the teachers explained and spoke very clearly. Also all of the students were nice to us Germans. Every time I didn’t know what to do someone was there to help me. I hope I can give my exchange partner such a great time at school as well.”

Jacob

“I really enjoyed my time here at the Kurnai College. Everyone was nice to me and helped me whenever I had a question or a problem. The teachers were really nice too. They explained stuff again if I didn’t understand it. I really enjoyed learning different things than in Germany, because the things you learn here are very different compared to the things you learn at my school. Sometimes it was hard to follow the lesson in chemistry because of all the words I don’t know. I just listened and tried to understand as much as I could. The breaks were always funny. Hanging around with my new friends I met here. Overall, I had an awesome time at this school. Thanks for the great time!”

Georg
Junior School News

It has been a busy term with lots of extra-curricular events taking place at both year seven and eight. Year 8 students returned on Friday from Karoonda Park after spending five great days up in the mountains. Our year 7 students are currently enjoying 4 days in the Paynesville area at camp Coolamatong.

Mobile phones:
Reminder that calling students whilst at school needs to be done through the front office and not in the child's mobile phone, especially during class.

Messages do get relayed from the front office and the student is tracked down immediately should there be an emergency.

BYOD:
A reminder that students who have a device need to bring it to school fully charged and ready for use in every class. Students need to use their device for work, and to check their timetable for any room changes or messages regarding their work should their teacher be away or online. There are too many students not bringing their own device to school and therefore the limited number of resources we have are being loaned out unnecessarily. In future students noted as having a device may be turned down without a note from parents regarding borrowing from the library, as there are students who do not have their own device.

Equipment:
A general reminder to parents and guardians that students are expected to have exercise books, pens, device and any other relevant resources for specific classes. Please speak to your child and ensure that they are equipped with the necessary equipment. Teachers have noticed a number off students dropping of in this area and would like to see it improve over the next week.

Uniform Expectations:
As the weather changes and it becomes a bit colder, students are still expected to be in full uniform. This does not include non-school uniform jackets, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops.

Information Evening, 21\textsuperscript{st} of May and Awareness Day, 22\textsuperscript{nd} May

Kurnai College Awareness Day and Information Night is a fantastic opportunity for prospective students to gain an insight into life at high school. The transition from primary to secondary school is one which many students and parent can find daunting. Our Junior School team has developed a multifaceted transition program for upcoming students to ensure a smooth and comfortable progression to their middle years of schooling. Awareness Day is a key element of this program.

We invite all students and parents to be a part of Awareness Day 2015, as well as the information evening on the night before. I look forward to seeing many new bright faces on the day.

Year 8 Camp:
Forty eight year eight students went to Karoonda park for a week full of adventures. This trip was yet again a huge success and students were very well behaved whilst giving everything a red hot go. Staff that attended the camp were super impressed with some of the attitudes towards facing challenges and the way in which students interacted with their peers and leaders.

The following students were acknowledged for demonstrating our four pillars across all aspects of camp;
Chloe Schonberger: Work Ethic
Hollie Nicol: Engagement
Ryan Loader: Relationships
Sam Tingay: Excellence
Year Eight Camp
**Middle School**

**NAPLAN 2015**
Year 9 students will sit the NAPLAN tests from May 12th to 14th, in total they will sit five tests.

- **Tuesday:** Period 1 Language and Period 3 Writing
- **Wednesday:** Periods 1 Reading
- **Thursday:** Period 1 Numeracy (with a calculator) and Period 3 Numeracy (without a calculator)

Students must bring their own calculator to the test.

**Mid school Exam Timetable**

**Year 9**

Tuesday June 2nd: English 9:00 to 10:40 and Mathematics 11:25 to 1:05.

*Please note that all students are required to have their own calculator for the Mathematics examination and the Year 10 Humanities examination. Mobile phones, iPads, computers and other personal electronic devices are not permitted in the examination room and cannot substitute for a calculator.

**Year 10**

**Work Experience:**

For 2 weeks, Kurnai College Year 10 students experienced the world of work. Each students’ experience was unique, yet some things were common. Most started work earlier than they were used to, and the days were long. For some students it confirmed what they thought they might like. Others were not sure where to go for their work experience and so “I went there because Mum told me to”. Many students found out that “the days could be really long if you did nothing”, that work can be in turns stressful or interesting when new skills are learned. The world of work experience ranged from “wasn’t too bad” to “great”. Students should be encouraged to reflect on their experience. What did they learn about their likes and dislikes, their skills or where they are lacking. For some it confirmed a pathway, for others their path is not clear. Students still need our guidance. Talking with parents and researching courses (with the help of their team time teacher) will be an important step in students planning their pathway.

**Coming up in pathways and careers:**

June 10 First Step at the senior campus. All year 10 students will participate in sessions to explore different subjects on offer. More details to follow.
Learning Matters

As part of our continuing commitment to help develop positive student learning behaviours and learner confidence, the Junior Years have generated and analysed the second round of Grade Point Averages (GPA) for our second lot of Learning Behaviour report, for each student in Years 7 and 8.

Just to recap, the Learning Behaviour Report is based on the 4 College Pillars and includes being ranked in Participation, Preparation, Respect for Others, Working with Others, Task Completion and Work Ethic. Students are graded from 1 to 4 (1 = Concern, 2 = Satisfactory, 3 = Good and 4 = Excellent).

All students in Years 7 and 8 have had an opportunity to view their report and have set goals to improve their GPA for the second round of reporting due at the close of Week 9.

From this data the Junior Years team have identified students to be rewarded for excellence and achievement. Students were presented with a Certificate of Excellence and a Certificate of Achievement at a recent Junior Years Assembly.

In Years 7 and 8 the **Certificates of Achievement** were awarded to:

Applications close 5pm on Friday 8th May 2015
An Interview - Bridget Cain

What makes you successful?

Well, it is probably because I have a really good group of people that push me harder to be better. My coaches always help me to improve and when they tell me what I need to improve then it is up to me to work on doing it and putting it into action.

What does your typical day involve?

I wake up at 3.50 am
I have breakfast in the car
Then, I have Gym in the morning until 6.00 am
I go home and then I go to school
Of a night, I start swimming training at 5.00 pm
I finish squad around 8.00 or 8.30 pm
Then I go home, I have dinner and go to bed around 9.30 to 10.00 pm
Start again the next day

What do you want to do in the future?

I want to go to University to study Primary School education, or be a police officer.

Would you study law? I’m not sure.

How far would like to go with your swimming?

My big goal in the next 12 months is to get to National Age (next year it is in Adelaide in April) – and that is the highest I can go or I could swim Open as well. I probably won’t be an Olympian or anything.

What keeps you going with your swimming?

Motivation to do better or get better I guess. Sometimes Mum makes me go – but probably I do it because I am striving for something and if I don’t train I know I won’t get better.

Who do you look up to?

There are a lot of people I look up to, famous people, but there is a friend who is a disability swimmer and she has gone through a lot but she does really well – she keeps me going. She has got 2nd in Australia in two of her events, but she just keeps going. It is a lot harder for her because she has half an arm but it doesn’t stop her from achieving her goals. She is in my club and I see her training regularly. I look up to her.

What have you learnt from swimming that you can apply to your everyday life?

Our club teaches us to always say ‘hello, goodbye, thank you and sorry, and saying and remembering people’s names and using them. They have also taught me leadership skills, nutrition, to train hard, work hard at school and organisation skills.

Leanne Baxter.
Kurnai College - 2015 China Trip

Again this year, Year 10 students will have the opportunity to travel and discover the delights of China. The school will be undertaking a study tour of China during September 2015. The tentative dates are 9th – 25th September although this may change a little depending on ticket availability and cost. We hope the tour will visit Kou’an (our sister school in China) where students will stay with a Chinese family and attend some classes at Kou’an Middle School. Some of the other places the tour plans to visit will include Beijing, the Great Wall, Xi’an, the Terracotta Warriors, Shanghai and Hong Kong. This is an excellent opportunity for students to discover the wonders of China.

This term, after expressions of interest have been finalized, we will have a family information session to update families on the details of the trip and give parents and students an opportunity to find out more information.

Later this year there will be some classes run by the Language Centre to teach students and/or families the basics of the Chinese language. Knowing some basic Chinese will be greatly useful on the tour. All students in China learn English at school, but many older people in China don’t speak English.

The full cost of the tour will be around $2,500, and there will be some financial support available for some families. Costs will be confirmed later as itineraries are set. The school will organise travel insurance for the group at no cost to the students. All students will need to have a passport, so there will also be this extra expense for some families. So, if you are interested in travelling, start saving now.

If you need more information or have any queries you can contact Geoff Block on 5132 3800, Cleo Lazaris on 5165 0600 or Celeste Hardy on 51323700.

If you are interested in taking part of this study tour please complete the expression of interest below:

I __________________________________________ (Student name) am interested in being involved in the Kurnai Study Tour of China in September 2015 (9th - 25th).

Parent/Guardian signed: _______________________________________

Please return this form to your campus office by Thursday 30th April.
SRC NEWS:

First Strike Training Day

On Thursday 19/3/15 the Gippsland Education Precinct (GEP) held an SRC (Student Representative Council) training day for the Kurnai College Campuses. The SRC participated in leadership training activities. The students learnt about event management and the steps it takes to plan an event. They also had a public speaking workshop and shared in publicity and action planning activities. We found the day very beneficial and had a heap of fun on the day.

By Chloe Libreri and Hayden Kimpton (School Captains, SRC Leaders)

SRC Leadership Conference

On Wednesday 21/4/15 the school captains from Kurnai College Churchill, Morwell and other SRC representatives from around the Valley attended the 2015 leadership conference.

The students participated in leadership activities and were supplied with a healthy Subway lunch. The activities included SRC members from other schools and consisted of team building and personality explorations. We found out whether we were extraverted or introverted and the strengths and challenges of both. The day overall was educational and interesting. A great learning experience for all.

By Hayden Kimpton & Chloe Libreri (School Captains, SRC Leaders)
Out and About

ANZAC DAY 2015

Students that participate in Concert Band were invited to perform with the Latrobe City Brass Band at the Morwell noon service. Our students performed in the official part of the program, performing hymns, the national anthems of both New Zealand and Australia, as well as performing two items with the Morwell Caledonian Pipe band.

Comments from the participating students were very inspiring and content in what they had just participated in.

A special thank you to the parents that transported the students to and from the service, and an extra special thank you to the Latrobe City Brass Band for inviting our youth to participate with them.

Kurnai Idol – SIGN UP NOW!

This is an annual event open to all students that attend Kurnai College. Names are currently being taken. Either place your name in the music rooms OR email Mr Bonnici via Compass Student Manager with student name and campus attending. Heats will commence mid Term 2 with the Semi and Grand Finals occurring in weeks 2 and 3 of term 3. Everyone is encouraged to participate.

Fundraising

The collection of bagged Aluminum drink cans can be placed at the front office and mention that it’s for Music.

Free Music for Remainder of Term 2

Try one of the following wind instruments for the remainder of term two for free, where you take the instrument home and attend scheduled Instrument Music Classes. Then in the last week of term you let us know if you want to continue or not.

Instruments this applies to are Flute, Clarinet, Bass Clarinet, Saxophone, Trumpet, French Horn, Tenor Horn, Baritone, Euphonium, Trombone, Tuba and Drums. Fill in the Music Expression form from the front office and return it ASAP.
Devices for sale

Kurnai is selling off some older assets that have been used for testing or are no longer in service at the school. This includes the following;

3 Acer Iconia Tablets – 10 inch Android tablets. 1 with leather cover. $100 each

2 ASUS VivoTab Smart Tablets – Windows 8. $120 each.

2 ASUS VivoTab RT Tablets with dock – Windows 8 RT tablets with detachable keyboard. $100 each

All devices come with chargers and have been reset to factory settings ready for use.
All tablets are in good condition and have only minor scratches on some.
The devices are selling in “AS IS” condition and there is no warranty left on any of the devices and no support from the school can be given once sold.
The devices can be purchased from the Churchill campus reception.
For more information please email gowing.dean.d@edumail.vic.gov.au if you have any questions or queries.
Short period Homestay families required

Kurnai College will be hosting three Chinese Study tours early next term. We are looking for families who would be interested in hosting a Chinese student/s for up to a week.

While at Kurnai, they will be participating in a mix of English Language classes located at the University Campus and immersion classes at the Churchill Campus. These classes will be followed up by organised afternoon activities in the local area.

The Homestay will provide a welcoming, nurturing and safe environment for young students, as it will likely be the first time these students have been out of China. If possible, it may pay to consider having two students billeted with your family making it less daunting and easier for the students.

Hosting an international student will be very rewarding and offers a wonderful opportunity to learn about a new culture and share our Australian way of life. This would be a great opportunity to consider for our students who are currently studying Mandarin or have/will be participating in our trips to China, either later this year or in coming years.

Host families are paid a nominal fee of $20.00 per night per student, which is to assist with food, accommodation and transportation as required for students that are living with them.

The dates for these visits are:

15th – 21st July  Students from Jiyun Experimental School, aged 13 – 14 years
3rd – 10th August Students from Kosan Middle School, aged 16 -18 years
7th – 9th October  Students from Dalian, age 14 – 16 years

If you are interested or want more information please contact Corine Noblet on (03) 51 523 800 or noblet.corine.j@edumail.vic.gov.au.

Or complete the below form and return it to your General Office.

---------------------------------------------------------------------------------------------------------------------------------------

Expression of Interest form

I, ______________________________ the parent/s of ______________________________
(student’s name) am interesting in assisting Kurnai College in being a Study Tour Homestay family.

The dates that suit our family are:

[ ] 15th July – 21st July  [ ] 3rd August – 10th August  [ ] 7th – 9th October

We would like to have [ ] 1 student [ ] 2 students, [ ] male or [ ] female stay with us.

Please contact me on this number to get more information ________________

Expressions of interest are due back in no later than 15th June, 2015
To ensure the smooth organisation and running of camps and excursions we request that permission forms and payments be returned to the school by 2pm on the return date on the permission form. This enables the purchase of train tickets, food and venue tickets etc in a timely manner.

EXPRESSION OF INTEREST – TENNIS TEAM MEMBER

Latrobe City Council is seeking expressions of interest from local tennis players to participate in the 2015 Sports Exchange. The program is an initiative which has emerged from Latrobe City Council’s two Sister Cities relationships in Taizhou, China and Takasago, Japan.

The expression of interest process seeks to identify 10-15 tennis players from within Latrobe City aged between 13 and 16 years to form a touring tennis team. The team will participate in a short-term international exchange program in Taizhou, China during the September/October 2015 school holidays.

Key Requirements:
• Be a worthy Latrobe City Ambassador
• Commit to all training sessions
• Provide proof of residence in Latrobe City
• Actively participate in fundraising initiatives
• Attend information sessions
• Attend pre-departure briefings
• Attend Cultural Awareness sessions
• Act as a Latrobe City Council international relations ambassador following the exchange
• Promote the Sports Exchange Program both pre and post exchange

Application forms are available from Latrobe City’s Traralgon, Morwell and Moe Service Centres, the Churchill Community Hub and are also available on Council’s website at www.latrobe.vic.gov.au.

Expressions of Interest must be received by close of business on Friday 29 May 2015.

Written submissions should be addressed to Mr Jason Membrey, Coordinator Events and International Relations, Latrobe City Council, PO Box 264, Morwell 3840.
