AWARENESS DAY FRIDAY 20TH MAY
Grade 5&6 students from our local primary schools are spending the day with us today as part of our transition program supporting their entry to secondary schooling. Year 10 Peer support leaders and Year 7 students are supporting the primary students throughout the day as they move between the various classes and experiences planned to give an insight to secondary schooling. Year 7 Leaders Reece Malcolmson, Celeste Hardy and their team of staff have once again created an interactive and wide ranging program for students to engage with and have been well supported by other campus staff and our Masters in Teaching students from Federation University. More reports will be featured in our next newsletter.

Since our last newsletter the Year 10 students have returned from work experience, year 7 and 8 students have had their respective camps, NAPLAN testing has been completed, and a range of excursions and sporting teams have headed out of the campus. Many of these events are detailed later in this newsletter. One very significant event has been the Year 9 students who travelled to China for six weeks as part of the Victorian Young Leaders Program. There will be an article about this trip in the upcoming College newsletter.
It is great for our students to have access to these opportunities for learning and development and we continue to see this as an important part of a full education. It has been particularly pleasing to see and hear of the positive engagement by students in these activities and the manner in which they have represented both themselves and the school.
MORWELL CENTENARY OF ANZAC CONCERT
Date: Wednesday 8th June 2016.
Time: 7.30pm - 9.30pm
Venue: Kernot Hall, Morwell
Hosted: 3TR’s Andy Johns
Performers: The Victoria Police Pipe Band & The Band of The Royal Australian Navy (HMAS Cerebus)
Tickets: $5.00 ea. Available from Traralgon RSL Club or Concert Ticket Bookings 0417567291

The Centenary of ANZAC is a special time in Australian history, it enables our community to reflect on the remarkable service and sacrifice of Australian Servicemen and their families during World War One, particularly from the Latrobe Valley. The Concert will feature The Band of The Royal Australian Navy and The Victoria Police Pipe Band in a themed event to honour the Centenary of ANZAC. The musical program will feature many WW1 period tunes like “Waltzing Matilda”, but most songs will be selected to entertain the audience with popular music, Top 40, tunes from Frozen and contemporary hits plus many crowd favourites.

Father Peter Bickley has offered to speak on Chaplaincy in World War One & Father Harry Dyer will provide a “Blessing during the Concert”.

TS Latrobe will be invited to form an honour guard this year, Morwell Lions have offered provide catering and Morwell Rotary will provide hosts / ushers.

A Light Horse Mounted Ceremonial Troop will be on display outside the Concert.

Security will be provided by Morwell Police in accordance with VICPOL guidelines.

The RSL will provide several WW1 displays, uniforms, etc. and Legacy will be invited to speak about Major General Sir Stanley Savige, a Morwell resident who went on to found LEGACY.

The Concert is expected to attract an audience of around 800 persons.
Year 7 News .........

Again, lots has been happening at year 7, we have had Camp Coolamatong, NAPLAN, year 7 football, planning for Awareness Day, whilst a new project has been started.

Student Report: Rachael Pendlebury & Zeke Halge
On the 2nd to the 6th of May the year 7’s and a few year 10 Peer Support leaders went to Camp Coolamatong for 3 nights. Students participated in a range of different activities such as; archery, sailing, survivor race, adventure race, mountain bike ride, bush-craft, climbing and abseiling, etc. On each day several groups got to go on a boat trip to 90 mile beach; where they walked along the waterfront, then participated in a game called foxes holes and ate lunch in a national park, before taking the boat trip back to camp. On each night different activities were held by camp leaders and staff. On the first night we played real life Cluedo; where students ran around and completed a set amount of task’s in order to find the place of the murder, the murderer and the weapon.

After Cluedo we played Theater sports a set of acting games each student has been learning about in Drama. The night next we went for an amazing night hike. On the hike we walked along the lakeside and were told stories about the camps history, once at the waterfront we picked up shells and threw them in the water; as the shells hit the surface of water the late lit up. Students were mesmerised by the night sky for it was filled with thousands of stars visible due to the lack of pollution. After the amazing hike students came back and fell asleep while watching a movie. On the third and final night students and staff participated in an eight round game of trivia hosted by Whitey, and judged by Ms. Martin and Ms. Hardy. The team A-Z won the game. It was clear that throughout the camp all students were having a blast, they clearly really enjoyed themselves. Overall the camp was a successful and amazing experience for everyone that went!

Year 7 Boys Football
Student Report: Jack Chessum & Tige Renwick
Year 7 footy took place on the 14th of May, unfortunately we didn’t make it to the 2nd round but we still gave it our best shot, we won 2 out of 4 games. We competed against the 2 sale teams, Traralgon College and Lavalla who won the grand final. The highlight was the last game where it came right down to the line and we won by a point.

NAPLAN Testing
Students were required to sit 5 tests over 3 days, the way in which this cohort handled this was an absolute credit to the type of learners they are. Every student showed a capacity to sit through testing, but more impressively did it in a manner that allowed everyone else in the room to concentrate and get the most out of themselves. Now they can enjoy the fact that they will not have to take part next year and concentrate on how to improve for the next NAPLAN testing that takes place in year 9.

Awareness Day
A full report on Awareness Day will come out in the next newsletter, year 7’s have all been involved in different elements of the day as well as starting on their Civic Global Project.

ALPs Testing
A reminder that for any students that were unable to make the ALPs testing that took place on the 20th of May, there will be another opportunity to test on Thursday the 26th of May at 4.30 to 6.30pm

A reminder to call our ABSENCE HOTLINE 5132 3711 preferably before 9am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
A reminder to call our ABSENCE HOTLINE 5132 3711 preferably before 9am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Year 8 News ..........

Year 8 Camp
On Monday 2nd May 42 Year 8 students, 3 Year 10 students, 1 bus driver and 4 teachers set off for a week at Karoonda Park in Gelantipy. The first stop for the students was the Buchan caves for a guided tour. Whilst on camp, the students participated in activities such as rafting on the Snowy River; abseiling; high flying fox; horse riding; initiatives courses and night walks. The camp provided students with the opportunity to develop leadership skills, build new friendships, challenge themselves in numerous situations, see their peers in a different light and step outside their comfort zone. The Year 8 students were also supported by Year 10 students, Sam Findlay, Arie Hendrikse and Mitch Vandermeer, who completed a week of their Work Experience whilst on the camp. A special thanks must also be extended to Robin Fitzpatrick (Camp Coordinator), Glen Stephenson, Matt Sheridan and Mary Corponi for making the camp such an enjoyable experience for all of the students.

Year 8 Alternative Program
For those students who did not attend the Karoonda Park camp an alternative program was provided for the week. Students who attended school during camp week participated in activities which were based on the film “How to Train Your Dragon”. Students were required to complete activity tasks, such as writing a poem, describing how to train a dragon, researching Vikings and sketching a dragon, during project time. The students also participated in cooking classes, physical education activities, games and the Amazing Race, where students had to work in small teams to complete a number of activities and solve riddles around the school.
The Amazing Race
Placegetters
1st Courtney and Ruby
2nd Reese, Brodie and Brad
3rd Makaylah, Monica, Jessica
4th Jake, Gypsie, Michelle and Deklan

Year 8 Humanities
This term Year 8 students have been studying Civics and Citizenship in Humanities. The past few weeks have focused on the question ‘what does it mean to be Australian’, as students have engaged with the concepts of national identity, multiculturalism and stereotypes. This week students are moving on to examine Australia’s political system, including the purpose of laws, how laws are made and changed, and how individuals can influence the democratic process. We will also be examining the role of Parliament and Government, which coincides nicely with the Federal election! At home, talk to your child about the election; have a conversation about who you are thinking of voting for and why!

PBS Raffle
Ruby Kypriotis has received the PBS raffle draw prize for Week 6 of term 2. Ruby has displayed a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic, which was recognised by a teacher. A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library, so that they are in the running for the Weekly Movie Ticket draw.

Silent Reading
As the term has progressed a number of Year 8 students are not participating in the silent reading. These students are distracting other students who are trying to read silently. Silent reading involves students reading solely to themselves. This kind of reading is quite beneficial to the students. According to studies in the educational field, students who were given time to silently read had far better grades than other students.

We ask that parents and guardians talk to their children about the books they are reading and encourage silent reading at home.

Uniform Expectations
With the colder weather, students are still expected to be in full uniform. This does not include non-school uniform jackets, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that if they are required to wear shoes that are predominately black. If you child is out of uniform, please provide a note which explains why your child is not wearing uniform on a particular day.

Progress Reports
Year 8 students have recently received their progress reports. These reports have been used in Team Time to assist the students in creating and developing goals that they will focus on over the rest of term 2. These goals have been created based on the results of Learning Behaviours from the May progress report that the students would like to improve. Please take the time to discuss these goals with your child and provide assistance, where possible, to achieve these goals.
AGL Loy Yang Visit

On Wednesday the 18th May 33 Year 8 students participated in an excursion to AGL Loy Yang. The students arrived at AGL Loy Yang and were taken for a brief induction to the site. The students were provided with hi-vis jackets, safety glasses, hard hats and ear plugs. The students were then taken on a tour of power station and the coal mine. The students were able to learn about how much power is generated each day as well as the types of jobs that are available at AGL Loy Yang. The Year 8 Team would like to acknowledge the support that the Kurnai Education Hub (KEHP), through The Smith Family, provided for this excursion.
The Year 9 team have had a good last 3 weeks with a lot of activities taking place. Please be aware that the second round of progress reports are now available to view on Compass. Congratulations to all the students who have improved their GPA scores from the first report to the current report. Please check your reports and if there are any concerns please see your teachers to discuss this.

Team Members
This year the Year 9 team members are: Josh Garth (Team Leader and Health/PE), Sheryl Tangi (Assistant Team Leader and Maths / Science), Andy Leeson (Health / PE and Outdoor Education), Dave Frendo (Technology), Robin Fitzpatrick (Health/ PE and Science), Olivia Wall (English and Humanities) and Kate Gibson (Maths).

WEEK 4
During week 4, the Year 7 and Year 8 students were out on camp and the Year 10 students were at Work Experience. The Year 9 classes ran as normal with some activities included during the week to build our team. The students went Tenpin bowling on Tuesday and then went to Lake Hyland for a Pizza lunch and some games. On Wednesday, there were a number of games and activities that took place on the Hockey Field. On Thursday, the students chose teams and participated in the Amazing Race around the school. On Friday, the students were fed popcorn as they watched a Movie. Congratulations to all students! The whole week was enjoyed by the staff and students.

CAMP
All Year 9 students will be invited to a camp in Melbourne later on this year from 16th – 19th August. They will be visiting many of the highlights in the city. Information will be out shortly.

NAPLAN
All Year 9 students were involved in Naplan testing from May 10th – May 12th. The testing involved carrying out tasks for Language Conventions, Writing, Reading and Numeracy with and without a calculator. This is a way of tracking student progress over a two year cycle and is undertaken by students in Grade 3, 5 and Year 7 and Year 9. All students were well behaved and took the testing seriously. Congratulations to all!

THANK YOU
The Year 9 teacher team and all staff in the Language Center would like to thank Precious Doherty for helping out and for tidying and cleaning up the kitchen area. Well done!

PBS
Many students have received postcards for displaying consistent behaviours for the four school pillars of Excellence, Relationships, Work Ethic and Engagement. Many of the students have also received raffle tickets recently for showing positive behaviours re the school matrix. Congratulations to all of the students who have received postcards for their demonstration of one or more of the school pillars over the past few weeks. The behaviour of the week we are currently working on is arriving to form group on time.
-Students need to be at school by 8:25 am. Form Group silent reading starts at 8:30 am.
-Students require a device (please contact us if you need some support).

PEER SUPPORT
The Year 9 teacher team has chosen a group of students to participate in the 2017 Peer Support Program. Congratulations to those students asked to be part of the Peer Support team! We will be talking to the students chosen in the near future.

EXAMS
All Year 9 students will be sitting an English and a Maths Exam in Week 8. The exams will have 10 minutes reading time and then run for 90 minutes. Please ensure that all students complete some revision at home for each exam. The students are allowed to have their Maths workbook in the exam with them and they will need to have their own calculator. Mobile Phones are NOT allowed in the exams. The Year 9 exam timetable will be available shortly.
WEEK 7
On May 25th – 27th, students in the Outdoor Ed. class will be attending a bushwalking/camping excursion at Wilsons Prom. Please ensure that all form are returned as soon as possible.

SEMESTER CHANGE OVER
All students will finish semester one subjects at the end of week 9 and for the last 2 weeks of term they will be starting their semester two classes including electives.

Contact Details
If you have any questions or concerns regarding Year 9 students please don’t hesitate to e-mail us or phone on 51323700

garth.joshua.p@edumail.vic.gov.au
tangi.sheryl.a@edumail.vic.gov.au

Biggest Morning Tea Fundraiser

Yesterday Pauline Martin organised a huge morning tea for staff to raise funds for the Cancer Council of Victoria. A raffle was also organised by Pauline, and altogether over three hundred dollars was raised for a very worthy cause. Well done Pauline!

A reminder to call our ABSENCE HOTLINE 5132 3711 preferably before 9am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Year 10 News ..........

YEAR 10 COURSE SELECTION BEGINS

First Steps

Over the next couple of months Year 10’s will begin to look at their options for Year 11 at the University Campus. To assist students to make decisions regarding their education and training beyond Year 10, the University Campus will be running “First Step” - a one-day program on 7th June - with a range of 30 minute subject information sessions.

Your child has received a coloured form from which they can indicate areas of interest and the subject workshops they would like to attend on this day. They will also have plenty of opportunities to ask questions from campus staff and course providers about VET, VCAL and VCE studies.

This is the ‘first step’ in ensuring that your child is prepared for transition to the senior school and they are positive, informed and in control of the choices they make - regarding courses and subjects

Any queries please contact your Year 10 Team Leader or David Shields at the University Campus (51323 808).

SRC

On Friday the 13th May the Student Representative Council (SRC) had an out of uniform day and a BBQ to help Sophie Didjurgies raise money for her volunteer work overseas in South Africa. We ended up raising just over $400.00. I would like to say a big thank you to Mr Stephenson, Ms Lynch, the Year 10 SRC and the other Year 10 helpers for organizing the BBQ, supplying everything and getting the job done. Also a big thank you to everyone who participated on the day. Sophie is very grateful for your generosity.

2017 Year 11 &12 Course Information Night

Kurnai University Campus is holding a course information night on Wednesday the 15th of June. The night will help in assisting your child make decisions regarding their education and training beyond year 10. The information night will begin at 7pm in the Lecture theatre 4N120. Please contact Geoff Block at the University Campus if you have any questions regarding this night.

**Work Experience**

On the 25th April to the 6th of May the year tens had work experience. Each year ten went to a different work place of choice. We (Mickayla and Rachael) went to Churchill Primary. As soon as we walked in the door we were treated like professionals. We were separated into our classrooms and introduced to the teachers we would be working with. From the start we were respected by the students, they treated us like we were their own teachers. During our time at work experience we engaged in many classes the students did and took charge. We also got the opportunity to experience working in the office as office ladies, answering phones and taking messages. On the Monday after work experience we were asked to come in and help run cross country, where we assisted in running the course.

Mickayla- When I first entered the classroom where I would be working I was treated respectfully by the students and also the teacher. When i walked in i instantly worked with a student on her English work. Whilst working with my class I noticed what kind of new things you could undertake when being a teacher. I would have the students come up to me for help on maths or writing, I felt like I belonged in the classroom. Doing work experience was the best thing I have ever done, I was really glad that I attended the primary school. It was an amazing experience.

Rachael- I thoroughly enjoyed my work experience at Churchill primary, I was instantly treated like a colleague. Throughout the week I was able to run classes and teach the students. I had them breaking down maths equations, writing retells, roleplaying 'We're going on a bear hunt' and I also taught a science class where the students made their own hovercraft from balloons and paper plates. I connected with the students I worked with, and the teachers and I definitely felt like I belonged up in front of the classroom helping the students to learn. My week of work experience with Churchill primary was one of the best experiences and it was extremely fulfilling.

**Exam Preparation and Revision**

The end of this Semester is quickly approaching with Exams beginning in week 8. Students will begin their exams on Monday the 30th of May. For many students this can be a stressful time. Please encourage students to do their best in these exams but to also remember that their exam is just one piece of assessment. Teachers will be available to support and help students on Friday the 20th of May, helping them to prepare by covering material that will be on the exam.

**Federation University Taster Days**

The Federation University Taster Days have been completed for this Semester. These days allowed students to experience what a course would involve at Federation University in a range of areas.

**Central Australia Camp**

Students have received permission forms for the Central Australia Camp. The camp will run from the 7th of September to the 16th of September. The Camp can be paid in instalments with the first payment due on the 29th of April. If you have any questions or concerns regarding the camp please contact a member of the year 10 team.

**Year 10 Study Tour to China**

A draft itinerary is available for students interested in the study tour of China. The study tour will take place from the 5th of September to the 21st of September. The cost of the tour is 2,500 which includes flights and all internal travel costs in China, accommodation, most meals and entry to most tourist attractions that will be visited. Itineraries can be collected from the year 10 office.

6. Download book

Please see library staff for assistance.

Victorian Young Leaders to China

Kurnai College sent eight aspiring leaders to China for six weeks in March and April. The students experienced an intensive language program while they lived on the campus of a huge Chinese high school.

The first two weeks of the trip were spent in Beijing, then they went to Yangze, a suburb of Nanjing. They went on a series of fascinating excursions to cultural sites (including The Great Wall of China and the Nanjing War Memorial) in addition to a myriad of quirky shopping trips. Mostly, though, they were immersed in their study.

Every day was packed with activity from morning to night and the Kurnai students got a good insight into the lives of Chinese students. Chinese students start school at 7.30 in the morning and finish at 9.30, with two hour breaks for lunch and tea. It’s a rigorous program and our kids were amazed, but they soon adjusted to the extended schedule.

All in all, the trip was an exciting look at another culture where our students were able to distinguish the ways we are different as well as the ways we are the same.

**Short period Homestay families required**

Kurnai College will again be hosting two Chinese Study tours early next term. We are looking for families who would be interested in hosting a Chinese student/s for up to a week.

While at Kurnai, they will be participating in a mix of English Language classes located at the University Campus and immersion classes at the Churchill Campus. These classes will be followed up by organised afternoon activities within the local area.

The Homestay will provide a welcoming, nurturing and safe environment for young students, as it will likely be the first time these students have been out of China. If possible, it may pay to consider having two students billeted with your family making it less daunting and easier for you and the students.

Hosting an international student will be very rewarding and offers a wonderful opportunity to learn about a new culture and share our Australian way of life. This would be a great opportunity to consider for our students who are currently studying Mandarin or have/will be participating in our trips to China.

Host families are paid a nominal fee of $20.00 per night per student, which is to assist with food, accommodation and transportation as required for students that are living with them.

The dates for these visits are:

- 18th – 22nd July: Students from Fuzhou Overseas Chinese High School, aged 14 – 17 years
- 25th – 30th July: Students from Taizhou Pengjie High School, aged 14 – 17 years

If you are interested or want more information please contact Corine Noblet on (03) 51 323 800 or noblet.corine.1@edumail.vic.gov.au.

Or complete the below form and return it your General Office.

---

**Expression of Interest form**

I, ________________, the parent/s of ________________, am interested in assisting Kurnai College in being a Study Tour Homestay family.

The dates that suit our family are:

- [ ] 18th – 22nd July
- [ ] 25th – 30th July

We would like to have:

- [ ] 1 student
- [ ] 2 students
- [ ] male student/s
- [ ] female student/s

Please contact me on this number to get more information ____________________

Expressions of interest are due back in no later than 15th June, 2016
Raising Resilient Teenagers:
A NEW Online Program for Parents

Researchers at Monash University and the University of Melbourne are pleased to offer parents of teenagers an evidence-based online parenting program which has been shown to help improve parent-child communication and reduce family conflict. Through interactive online activities, parents can develop skills in emotional intelligence, supporting their teenagers through difficulties they face, and maintaining a close relationship with their teen. The program is based on Parenting Guidelines that were published in partnership with beyondblue and have been accessed by thousands of parents internationally.

Parents will receive either:
- a personalised feedback report and interactive online modules, OR
- a set of five fact sheets about adolescent development and wellbeing.

You are eligible to participate if you:
- are a parent or guardian of a child aged 12 to 15
- live in Australia,
- are fluent in English, and
- have internet access.

Participation will take a few hours of yours and your child’s time over 12 months. Both you and your child will be reimbursed for your time.

To sign up for a FREE trial of this program, please visit: www.partnersinparenting.net.au

Yinnar Football & Netball Club

Under 16’ & 18’s – Players Wanted!!

We are looking for some extra player numbers for the Under 16 & 18 teams, if you are thinking of having a kick or know someone that might be, please contact: Under 18 coach David Hibbert 0438 661 842 or Under 16 coach Craig Flanigan on 0417 770 737.

CAN YOU SPARE A FEW HOURS A WEEK?

If you can spare a few hours on tasks like catering & canteen staffing / general administration / building & grounds maintenance / relatively straight forward computer entry work – in fact anything – we would love to hear from you. If you have some time we will find a task that is suited to your skills and interests, it’s that easy.

If you would like to know more, please contact any Committee member or a member of our Club Executive: Peter Linton 0409 011 198, Peter Quigley 0499 600 334, Sonia Williams 0421 338 249, Deidre Buckley 0409 195 027 or Mario Monacella 0429 342 906.

THANKS TO THE YINNAR & DISTRICT COMMUNITY FOR YOUR OUTSTANDING SUPPORT – WE HAVE BEEN A PROUD PART OF A STRONG COMMUNITY FOR 133 YEARS – AND WANT TO MAKE IT ANOTHER 133!
