Message from our Campus Principal—Matt Jobling

**Big Day Out**

This coming Tuesday is the College Big Day Out to be held at the Churchill Leisure Centre. This year’s event has been created by student leaders from across the College and supported by The Smith Family, the Student Representative Committee staff and College Administration in organising the logistics for the day. The combined thinking and effort has produced a schedule of healthy activities for students to enjoy ranging from Yoga and meditation to Boxercise and Dodgeball to name a few. Churchill students will attend school as normal and then walk over to the leisure centre after form group. A free BBQ lunch will be provided and students can wear comfortable casual clothes so they can participate in the various activities of their choice. Students will return to Churchill Campus at approximately 2.15pm and then be supervised until the end of the day unless they have written permission from parents to leave earlier. Notices have been distributed to students this term through form group.

**Year 10 China and Central Australia Trips**

Congratulations to all the students who participated in these trips on their excellent attitude and conduct throughout their adventures. The supervising staff came back with glowing reports of how well the trips went and mentioned that during the trips other people including service providers had remarked to them about the exemplary behaviour of the group. It was great to hear the 4 pillars of the College, being Excellence, Work Ethic, Engagement and Relationships, were clearly evident through the actions of the students. Further details including some photographs are contained in the Year 10 section of the newsletter.
Year 7 News ..........

General News:

Term 4 is upon us and it is guaranteed to fly past a rapid pace. Students have yet again returned to school in a way which impresses all staff that work closely with this great group. There will be lots of things happening this term, and the message that has been given to students is to knuckle down and make the most of what has been a great year in terms of achievements but at the same time make sure they enjoy the remainder of their time in year 7. Over the term we have activities such as the “Big Day Out” event, lots of fundraising activities, Melbourne Cup long weekend and the Kurnai Churchill Arts festival including drama plays. Nearing the end of term students will engage in celebration day, campus based awards ceremony, college awards and then host the grade 6 students from local primary schools for a three day orientation program whilst the year 7 students begin their year 8 programs before the much deserved Christmas break.

Term 4 Team Leader changes:

Reece has resumed his position back at Kurnai College and will return to the team leader role however this will be a shared roll with Celeste Hardy staying on as Team Leader also due to Reece working off campus on Tuesday’s and Thursdays. This will not affect students, as there will always be a team leader available and will in fact result in greater access to us across the week.

“Celeste, Russell White and the Year 7 team must be acknowledged and commended for their work in ensuring that in my absence the year 7 program was lead and ran very smoothly with all things continuing to hum along in great fashion. This was never in doubt, Thanks and Well Done Team”

Silent Reading:

I would like to congratulate each and every student on their efforts during our silent reading time. As educators we know how important it is that every child is not only provided with opportunities to read but in turn uses those opportunities to engage in reading activities. I strongly believe that all year 7 students are regularly engaged in reading, for many students this has been a challenge that they have embraced as we know that not all students like to read and for many it can be quite a difficult task. Please take the time to talk to your child about the book/s that they are reading at school daily and continue to encourage this behaviour at home.

Team Time:

Students have recently completed a learning behaviour update reflection task. This task requires them to look at their most recent learning behaviour update (end of term 3) and answer several questions to prompt them to think about areas of strength, weakness and way in which they could improve their Learning Behaviour scores for the next set of updates. Students use this reflection task to create relevant school based goals for the remainder of term 4 and beyond. Again we encourage parents to talk to their students about their goals, what they want to achieve this term and how they plan to meet goals set.

Year 7 News .........

Kurnai College Four Pillars

Engagement: We actively participate in our own learning
Excellence: We do the best that we can do
Work Ethic: We are committed to working hard
Relationships: We value and respect each other
Year 8 News ..........

Welcome back to term 4. This is the last term for all Year 8 students and we have about seven teaching weeks left in Year 8 until students make the transition to Year 9. With such a short time until the end of term there will be a lot of activities taking place in Year 8.

University Discovery

The following is a reflection, by a Year 8 student, about the trip to Federation University.

Today all of the Year 8 students went up to Fed Uni for the day. In my opinion it was a pretty good day.

The first thing the people at the Uni talked about was how life is there and what everyone does. They talked about what everyone chooses and what the houses are like. After that we had a break.

Two girls who were vet scientists came in to talk about what they do. The first girl told us she did experiments on trees to see how they fall. The other girl told us that she was doing bacteria experiments on cats. She said she took a saliva sample and faeces sample. Then she put it in some dish and looked at the bacteria.

After that we began activities. We started at the nursing, and it was pretty fun. We used stethoscopes and listened to each other's heart beats. Then we looked at bacteria on our hands. We washed our hands and compared it to our hands before we washed them. Finally we used the defib. We placed it on the dummy and pressed a button. We then used a neck brace and then went to the next activity.

After that, we went on a scavenger hunt. We went all around the school looking for the things on the sheet. We were the first group back, but Brad's group won because they took a 'cool photo'. After the hunt, we had lunch.

Finally, we did a career work sheet. We did some genie thing, some other job things. We wrote down our dream job and what we needed to do to achieve that. At the end, we thanked the people for the day and we walked back to Kurnai. I thought that it was a pretty good day.

PBS Raffle

Mitchell Bremner has received the PBS raffle draw prize for Week 2 of term 4. Mitchell has displayed a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic, which was recognised by a teacher. A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library, so that they are in the running for the Weekly Movie Ticket draw.
Year 8 Culture

In Year 8 Culture the students are currently working on researching the country of China and its surrounding neighbours. The students have been identifying the countries which share a border with China through a mapping task whilst also demonstrating their understanding of the skills of BOLTSS (Border, Orientation, Legend, Title, Scale and Source). In Culture the students have also had to select six countries, which have borders with China and undertake further research to gain an understanding of these countries.

Cornell Note Taking

Over the past week Sarah Cohen, Assistant Team Leader, has been teaching the Year 8 students the importance of note taking skills using the Cornell Note taking method. It is so important to teach the students to take notes so that they are only taking note of the important things in the texts they are reading or viewing and to use their time effectively.

Silent Reading

The Year 8 students have made a great start to their silent reading during morning Form Group. To compliment the changes in silent reading, the students have been learning about different strategies to assist them with reading for meaning during Team Time sessions and then using these during the silent reading. The students have so far been working on writing predictions about what they are reading.

Cordial Club

With about seven weeks to go for the Year 8 students before they move into Year 9 it is important that the students keep up-to-date with their work in all classes. If Year 8 students need extra support to complete work they should come to the Cordial Club. This club, which is organised by Mrs Martin, runs from Monday—Thursday starting at 3:00pm and continues until 4:00 in the school library. Students are provided with a drink and snack, and are supervised by one of our staff. If students have homework or catch up work to do it is a good opportunity to access school resources.

A reminder to call our ABSENCE HOTLINE 5132 3711 preferably before 9am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Year 9 News

Welcome Back!

Welcome back to the last term of the year! We hope all students had a great and restful break during the holidays. This is the term when all of our students need to be working hard to improve their results for their semester two report. The students also have a Maths and English exam to start to prepare for which will take place in week eight.

Peer Support

Camp permission forms have now been given to students eligible to take part in the 3-Day leadership camp. The forms mention that the cost of this camp is $230. We hope to do some fundraising prior to the camp to bring this cost down. Peer Support classes will officially begin during Headstart in December and our student leaders will begin working with Grade 6 students transitioning to Kurnai College.

Subject Selection

During Year 9 team time over the next 3 weeks, students will be involved in learning about VCE, VCAL and VET and what each of these courses has to offer them in the future. Hopefully in the next couple of weeks, students will be able to choose an early start VCE subject for 2017. This block of subjects will have a small range of VCE subjects that the students can choose from.

Also for 2017, some students may be able to take part in a Year 10 Foundation VCAL course. Some information about this course is listed below;

VCAL is the Victorian Certificate of Applied Learning. It is for students who prefer to demonstrate their understanding by applying their knowledge rather than study topics academically. There is still reading, writing, maths etc. but it is taught in a more hands on/practical way. The program at this stage will be delivered at University campus and will sit within the VCAL program. There will be students from both Morwell and Churchill in the program. A parent and student info session will be held on Monday 17 October at 5pm at the Morwell Campus in the Library.

Big Day Out

On Tuesday 18th October, all students will be involved in a range of activities at the Leisure Centre across the road.

Team Members

This year the Year 9 team members are: Josh Garth (Team Leader and Health/PE), Sheryl Tangi (Assistant Team Leader and Maths / Science), Andy Leeson (Health / PE and Outdoor Education), Dave Frendo (Technology), Robin Fitzpatrick (Health/ PE and Science) and Olivia Wall (English and Humanities).
Year 9 Transition

Year 9 Orientation Day – Wednesday October 26, 2016 at the University Campus

Year 10 Kurnai students study one subject at the University Campus. This is their first experience of senior schooling and it is a momentous step into the next stage of their lives. To help students make their decision about their subject for 2017, Kurnai College, University Campus is running a program of subject information sessions and a tour of the campus on Wednesday October 26.

Brief descriptions of the subject options will come home with students in the coming week for you to look over as a family. Students will arrive at their respective junior schools as normal for the start of the day and will then be escorted to the University Campus (via bus for Morwell students, and walked over for Churchill students).

Students will attend three 30-minute sessions where teachers from the University Campus will explain what the different subjects involve and the types of skills and abilities required to succeed in the different subject areas. During the sessions there will be time for questions so it would be a good idea to bring a pen and paper to record important information for later use. At the end of the information session they will fill out their selection sheet to decide on which unit they would like to go in to.

Pizza will be provided for lunch and there is also a canteen available for students if they wish. Students will be expected back at their campuses for Period 5 to finish off their usual school day.

Students will also retain a copy of their selection to take home. Please discuss the subject selection with your child and if you have any concerns please contact me at the University Campus or the Year 9/10 team leaders at the junior school.

We look forward to seeing all Year 9 students at the University Campus on Wednesday, October 26.

David Shields
University Campus Transition Coordinator

Hope you all have a productive term 4.

Reminders

Please remind each student that they need to
- be at school by 8:25 am. Form Group silent reading starts at 8:30 am.
- bring a device to class (please contact us if you need some support).
- arrive to all classes ready to learn with all of the correct equipment.
- wear the accepted articles of clothing please. Hoodies are not part of the uniform.

Contact Details

If you have any questions or concerns regarding Year 9 students please don't hesitate to e-mail us or phone on 51323700

It is great to have all of the students back and working hard in their final term at the Junior Campus. We would like to again congratulate all of our students who attended camp on their fantastic behaviour. The reports from students and teachers who attended were all positive and it sounds like they had a great deal of fun. We would encourage students to share their experiences with other students so that they are aware of the benefits of the Camps.
AGL Business Lunch

10 Students will have the opportunity to attend the AGL business lunch on 26th of October. There is no cost to students, however permission forms will need to be returned for students to attend. This is a great opportunity for students to network with members of the business community. We would encourage all students who have been invited to attend to return their permission forms.

Inspiring Young People

32 year 10 students will have the opportunity to network with a range of industry people on the 27th of October. The students will be bused to the Italian Australian Club were they will have lunch and the opportunity to sit with industry people and ask questions. The students will return to school by bus at 2pm. This excursion is at no cost to students and we would like to encourage all invited students to attend the event. Once students have received their permission form they should return it to the office in a timely manner.

Sexting Presentation

The Victorian Police will be coming to the school on the 26th of October to present information to students in regards to sexting. This session will be held period 2. If you have any questions or concerns please contact a member of the year 10 team or the wellbeing team.

The Big Day Out

All three Kurnai Campuses will come together on the 18th of October for the Big Day Out. The event will be held at the Churchill Leisure Centre. Students will walk across to the Leisure Centre with staff. This will be a fantastic day for all students with a range of activities planned. This day will give our year 10 students another opportunity to meet and form friendships and connections with the year 10 cohort at Morwell before their transition to the University Campus later this term.

Year 10 Exams

Year 10 Exams will commence on the 21st of November to the 24th of November. We encourage all students to use this opportunity to improve their skills. An exam timetable will be posted in closer to the date.

Formal Fundraiser

The year 10 team would like to congratulate our VCAL class and Mr Leeson on the sausage sizzle held yesterday. The students raised $170.50. All of the money raised will go towards reducing the cost of tickets to the formal. Other VCAL students have been working hard on invitations, decorations, booking the venue and organising the meals. We look forward to a fantastic night helped by the hard work of these students.

VET Courses

Students who have selected a VET course for 2017 will need to provide the school with a USI number. Information on how to obtain this number has now gone home with students. Once you have obtained the USI number please email the school using the email address provided on the information sheet. If you have any difficulty in completing this process please contact a member of the year 10 team for assistance.
The Arts Are Alive at Kurnai / Churchill

Don't miss the second annual KURNAI/CHURCHILL ARTS FESTIVAL, featuring the student works in painting, drawing, food, furniture, sculpture, theatre, and music.

THE ART SHOW opens the festival on Thursday, November 10 at 6 pm in the Language Center. The art program at Kurnai/Churchill is firing with exciting works of painting, sculpture, and drawing. The cooking department is working on the art of cakes and will present inspiring work. Wood and metal feature in the art of furniture and sculpture.

On the same night, November 10 at 7 pm, Year 9 theatre students present a wild adaptation of INTO THE WOODS. This is an ambitious undertaking, the story of a host of fairy tale characters in a modern tale of dreams and coming of age with music and puppets.

The heart of the festival is the campus MUSIC CONCERT on Monday November 14 at 6.30 pm. This features ALL of the musicians across the campus in a night of great music and entertainment. Always an exciting event, this year’s concert promises to the best ever.

In the second week, on Thursday November 17 at 7pm, year 10 theatre students present COSI, one of the most important Australian plays. It’s a story of a young man who gets a job to direct a play in an insane asylum during the tumultuous 60’s. It’s a fantastic story, a hilarious comedy about love and fidelity.

The grand finale is on Wednesday November 23 at 7 pm. Year 7 and 8 theatre student present a range of original plays, written and devised by themselves. These plays are funny and serious and thoroughly entertaining.

While the FESTIVAL lasts for two weeks, THE ART SHOW will be on display from November 10 to November 17. It will be open on the nights of the plays as well as during the days of the week.

THE ARTS ARE ALIVE AT KURNAI/CHURCHILL. It’s a whole range of art, music, and theatre which expresses the passion and skill of student artists here at KURNAI/CHURCHILL!!!!

Parental Consent Forum - Youth Forum 2016

Dear Parent/Guardian,

[NAME OF ATTENDEE] has been invited to attend the Turning Ideas into Action - Youth Forum.

The Youth Affairs Council Victoria (YACVic) in partnership with Victoria Government is holding a series of youth forums to hear from young people on topics that matter most to them.

When: 4.6 pm on Thursday 3rd November 2016.
Where: Latrobe Community Health Service, 81 – 83 Buckley Street, Morwell (Training Room- upstairs)
Safety: The forum is a drug free, smoke free and alcohol free event.
Content: The content of these forums will be focused around local issue identification, idea/solution generation, advocacy and civic engagement.
Transportation: YACVic is not responsible for transportation of young people to this event but is working with local youth services, community groups and schools to provide group transportation options.

PARENTAL CONSENT
I give consent for them to attend this Turning Ideas into Action - Youth Forum.

Signature: __________________________

MEDIA RELEASE
I give consent for the electronic recording of them in photographic, video, audio or any other formats. I understand that photographs or other electronic recordings may be used by Youth Affairs Council Victoria (YACVic) and the Office for Youth, or other media organizations (newspapers & television) publications, broadcasts and websites without acknowledgement and without entitlement to remuneration or compensation.

Signature: __________________________

TRANSPORTATION
I understand that transport arrangements to and from is the responsibility of the school/youth service provider (or myself) and give __________________________ permission to transport them to this event.

Signature: __________________________

MEDICAL
In the case of a medical emergency I give consent for the adult supervisor in charge to authorise such emergency treatment as it deemed necessary to be administered to them.

Monash Children’s Hospital
Learn how to **save $2000 a year** on your grocery shop!

### Session 1
**HEALTHY EATING & NUTRITION SESSION**
Where: Churchill Neighbourhood Centre  
When: Tuesday 15 November  
Time: 1-3pm

This session involves increasing our knowledge about the link between diet and disease and learning about the healthy Eating Pyramid by participating in activities in a relaxed, informal setting.

### Session 2
**BUDGETING & LABEL READING SESSION**
Where: Churchill Neighbourhood Centre  
When: Tuesday 22 November  
Time: 1-3pm

The budgeting session is an informal workshop that reinforces the central message of FOODcents that healthy foods are usually much cheaper than unhealthy foods.

In this session participants will learn some tried and tested tips for saving money on their grocery shop, while still purchasing healthy and nutritious food.

### Session 3
**COOKING SESSION**
Where: Churchill Neighbourhood Centre  
When: Tuesday 29 November  
Time: 1-3pm

This session gets everyone into the kitchen preparing a few simple dishes that are quick, easy, provide good nutrition and are inexpensive.

Take home the "key" that makes your food bill come down fast and enjoy a tasty meal to round off your FOODcents experience!

In Years 7-10, students miss an average almost a week every term - that's four weeks of school per year.

Going to school every day is the single most important part of a child's education. Students learn new things at school every day – missing school puts them behind.

Why it's important

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

Students develop good habits by going to school every day – habits that are necessary to succeed after school, whether in the workplace or in further study.

Missing school can have a big impact on students academically and socially. It can affect their test results, including VCE, and, just as importantly, it can affect their relationships with other students, and lead to social isolation.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early

It’s never too late to improve attendance – going to school more often can lead to better outcomes. Even at Year 9, when attendance rates are lowest, going to school more often can make a big difference. Every day counts. Schools are there to help – if you’re having attendance issues with your child, speak to your school about ways to address those issues.

What we can do

The main reasons for absence are:

**Sickness** – There are always times when students need to miss school, such as when they’re ill. It’s vital that they’re only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference.

**“Day off”** – Think twice before letting your child have a “day off” as they could fail behind their classmates – every day counts.

**Truancy** – When students choose not to go to school without their parent’s permission. There can be many reasons for truancy, the best way to address this is for schools and parents to work together.

While all absences are bad for academic performance, unexcused absences are a much stronger indicator of lower reading and maths achievement.

If for any reason your child must miss school, there are things you can do with your school to ensure they don’t fall behind:

- Speak with your classroom teacher and find out what work your child needs to do to keep up.

- Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible.

Openly communicating with your child’s school about all absences is a good way to prevent attendance issues being escalated to a School Attendance Officer. A School Attendance Officer is a Department of Education and Early Childhood Development Regional Director who has authority to follow up attendance issues. Attendance issues that are escalated can lead to an Infringement Notice.

If you’re having attendance issues with your child, please let your year level coordinator, principal or other relevant staff member know so you can work together to get your child to school every day.

For more information and resources to help address attendance issues, visit:
