Hello Everyone

This semester has ended, as always, with a flurry of exams for both Years 11 and 12 students VCE students. Our VCAL students have settled into the routine of work placements every Friday. Teachers have commented favourably on the way in which students have approached their exams. It would be going too far to say they are looking forward to correcting them, but they are certainly interested in seeing the results.

Reports

Semester reports will be available on Compass during the last week of term. This is the first time that we have used this program for semester reports. Unfortunately, it will not do an overall calculation of the assessment at this stage. What will appear on the report is the weighting that each assessment area is given and a percentage out of 100 for each area that is assessed.

Every Day Counts

For every student to get the most benefit out of their education, attendance to every class is crucial. At this time of the year when the weather gets wet and colder it can be difficult to get out of bed and to school on time. However this is exactly what must happen every single morning. A small number of students seem to think that arriving at school late on a regular basis is okay ignoring the fact that while they are away from the class they are missing out on the value of the lesson. With every class missed there will be work to catch up on which is much harder to do than if the student was in the class in the first place. Please encourage your student to attend on time every day because Every Day Counts.
Wanting to get back in to Study?

Kurnai College is providing an opportunity for local youth, young mothers and adults to reconnect with their education!

We will be holding an information session, with free morning tea, to discuss this opportunity for you to complete a Certificate 1 in Information Technology, Digital Media & Technology Implementation.

Date: Tuesday 24th June, 2014
Time: 10.30am – 12.00pm
Salvation Army Hall, 57 Bridle Road
(Corner of Laurel Street and Bridle Road)
Call: Julie on 0427 725 595 or
Sarah on 0418 523 861

# Free for students under 21yrs
# Free Child Care
# Only one day per week

Interschool Show Jumping
An Interschool Show Jumping event is being held at Ayr Hill Equestrian Park (Clyde North) on Friday 29th August.
Anyone interested in entering this event will be representing the school.
Entrant is to supply their own horse and equipment, including school top and jodhpurs.
More information is available. www.interschoolshowjumping.com.au

Homestay Families Required for International Students

Homestay/Host families provide an authentic, safe environment for 15 – 18 year old overseas students, coming to Australia, for study.

Homestay families are paid a fee to cover weekly food and utility costs. Students’ stays can vary from one year to three years.

If you, friends or family are interested and would like further information please contact Geoff Block or Corine Noblet at Kurnai College on 03) 51323 800.
Congratulations to our PBS Recipients

$20 Vouchers given for Survey Completion – Still Available
7 students have turned up in the past 3 days to get involved in this survey. It isn’t too late so please read the blurb below and see David Shields in the VCE Student Services office.

*Year 11 students have been given the opportunity to undertake a survey for Deakin University. The survey is on adolescent eating and physical activity over a 3 year period. Packs that outline the requirements have been handed out at assemblies, however further packs can be found in the student services office. Deakin University will send out a $20 voucher to a department store on the completion of each yearly survey.*

---

**Exam Study Skills Sessions in Melbourne**
Students again have the opportunity to take part in critical Exam Preparation Lectures in Melbourne. Most subjects have Lectures running at either Latrobe’s Bundoora Campus or Monash University in Clayton. The sessions run over the school holidays at a cost of only $10 (tickets are usually $45). Students who attend these lectures receive study notes to keep, invaluable advice on exams and tips on preparing for Unit 4. Dates, times and details are available in front of the General Office or the Library. Further details contact David Shields.
Kurnai College – Available Tutors

Federation University have compiled a list of Tutors available to support Precinct Students. Tutors are an amazing source of support for students wanting to reach their goals and wanting to work that bit harder to get there. They are also a great support to those students who are anxious and feeling overwhelmed with certain subjects.

In the newsletter you will find a list of names of available tutors, their contact details, what classes they specialise in and some references. Please look through these and see if getting a tutor is a good move for your family. It is your responsibility to organise these tutoring sessions, which means organising time and place (any available classroom is available until 4pm at the Precinct). It has been agreed by Federation University that they will charge $25-30 per hour (which is the normal rate). If you want to get together with a group (4-6), this could cost about $50-60 – but will need to be negotiated with the tutor.

Name: Rowena West (2<sup>nd</sup> year Vet BioScience)
Subjects: Chemistry, Biology, English, Indonesian
Contact email: rowenaewest@gmail.com
Contact phone number: 0468773494
Past experience:
Education support trainee at Warragul Regional Collage (2012)
Reference:
Iain Luck (Assistant Principal)
Phone: 5623 9900
Email: luck.iain.h@edumail.vic.gov.au
Peer Leader (2009) at Trafalgar High School
Name: WeiChieh (Anela) Chang (23340290) (3rd Science – Chem major)
Subjects you could tutor in: General Mathematics, Math Methods and Chemistry
Contact email: wccha24@student.monash.edu
Contact phone number: 0421205739
Past / relevant experience for tutoring:
I have working with children check.
2010-2011: I worked for Edsolution Tuition Agency (in Singapore) as a full time tutor, tutoring year 10-12 students biology, chemistry, mathematics and mandarin.
2013-2014: Currently, giving mandarin lesson to 4 children (Age 5,8,10 and 11)
Anela is multilingual – Chinese and English and would be particularly good with Chinese language international students.

Name: Jaymie Dawes (3rd year science Chem/Enviro and I think a past GEP student?)
Subjects you could tutor in: Chemistry, Biology, Environmental Science, Further Maths, Health and Human Development (years 11 + 12)
Contact email: jtdaw1@student.monash.edu
Contact phone number: 0432398433
Past / relevant experience for tutoring: currently tutor biology/enviro/maths on weekends, have been a PASS leader (in University Chemistry) for 1 year and have had numerous tutoring students in the past.
**Will need to be during semester 2 as I'm off campus until then doing a work placement with Gippsland Water.

Name: Aaron Stevens (3rd year Engineering)
Subjects you could tutor in: Any mathematics including Specialist
Contact email: ajste15@student.monash.edu
Contact phone number: 0404773455

Name: Kimberley Bowker (3rd year Vet BioScience)
Subjects you could tutor in: Biology, psychology, I.T
Contact email: kmbow3@student.monash.edu
Contact phone number: 0408971765
Past / relevant experience for tutoring:
I was an RA for halls in my second year, I was the first point of call for the first year science students so I did a lot of one on one.
Mentoring - 2014
Student ambassador 2012-14
Kimberley thinks outside the square and has an unusual learning style herself. Great with students for whom conventional methods of teaching aren’t getting through.

Name: Meagan Gray (1st year VetBioScience but took a gap year)
Subjects you could tutor in: biology perhaps enviro (interested to know what other subjects they need)
Contact email: megra10@student.monash.edu
Contact phone number: 0467639921
Past / relevant experience for tutoring: no past experience but a good place to start :) unless you would count work placement at the primary school and helping younger brothers and friends. Meagan is great at helping her peers out!
Kurnai College – Available Tutors contd...

Name: Ying-Chen Soo (3rd Year MedBioScience)
Subjects: Biology, Chemistry, Physics (preferably not all at once)
Contact email: ysoo4@student.monash.edu
Contact number: 0413644705
Past experience: Private tutor (2nd Year Microbiology)

Name: Thomas Gurnett (3rd Year Engineering)
Subjects you could tutor in: Physics + Chemistry
Contact email: twgur1@student.monash.edu
Contact phone number: 0422888892
Past / relevant experience for tutoring: Monash Ambassador, tutoring Yr 12 students.

Name: Joshua Brown (1st Year Science)
Subjects you could tutor in: Year 11 General Maths, Maths Methods, Year 12 Further Maths, Maths Methods and Chemistry
Contact email: joshuabrown@students.federation.edu.au or tacki999@live.com.au
Contact phone number: 0437184676
Past / relevant experience for tutoring: I am willing to partake and gain experience in this field as it is an area I am looking at moving into after I graduate. As for relevant experience, I have in the past tutored a couple of Methods students at both a Year 11 and Year 12 level. I also have tutored a set of students within a Year 12 Further class as well.

Name: Alexander McCubbin
Subjects: VCE Chemistry (Yr11 and 12), VCE Biology (Yr11 and 12), VCE Maths Methods (Yr11 and 12) and VCE History: Revolutions (Yr11 and 12).
Email: hubdul123@gmail.com
Phone: 0438389734
Relevant Experience: I assisted people with VCE History: Revolutions (Yr11 and 12) over the course of the year just gone, and I am currently assisting one student with mathematics. I have scored reasonably well in both biology (D) and chemistry (HD) during my current tenure at university.

Name: Rebecca Waddington (Final Year Bachelor of Science)
Subjects you could tutor in:
Year 11: Physics, Chemistry, Maths, Biology, English
Year 12: Biology and Chemistry
Contact email: rebeccawaddington@students.federation.edu.au
Contact phone number: 0468920012
Past / relevant experience for tutoring: Lots of experience as a "student mentor" role in high school, and completed two years of Bachelor of Teaching

Name: Daniel Bennett (1st Year Postgraduate Medicine)
Subjects you could tutor in: Year 11 and 12: Chemistry, Physics, Biology
Contact email: l_bennett_27@Hotmail.com
Contact phone number: 0413812766
Past / relevant experience for tutoring: GAMSAT(medical school admission exam) tutor
The term is quickly coming to an end but the VCAL Personal Development Projects are just beginning. Students are required to organise, run, participate, present & evaluate a project for Terms 2 & 3. There should be links to our community. The “flavours” of our Personal Development classes this year are:

- Hospitality / Foods
- Woods
- Metal Work
- Coaching & Mentoring
- Business / Enterprise

This newsletter update will focus on the Business / Enterprise class and we will bring the other “flavours” to you in the coming weeks.

The Business / Enterprise class has 5 groups which are:

- GLCT Business (excursions) – this group has organised an excursion to Melbourne and are investigating an end of year function for Year 11 students.

- J.B.R FUN FOODS - are providing an alternative to the canteen and the local shops for our school community. Last week they had Hot Dogs for sale.

- SLUIMY FUN – are organising fun activities around the concept of science for the 3-4 year olds at our local child care centre.

- TECH SUPPORT - this group provides expert advice and services to the other groups in the form of collecting evidence (photos) and IT support for marketing and advertising.

- PROJECT TYE DYE – are producing, marketing and selling Tie Dye Products. They have produced samples to date – next step is the marketing and selling of these wonderful garments.

If you are interested in acquiring a fantastic TYE DYE product – get to the Precinct library for more details.

Look for the Presentation
ACU Breaks Down the Budget – The recent Federal Budget included changes to higher education funding which will have significant implications for Australian universities. The Australian Catholic University summarised the proposed changes that will affect students:

- **Universities will set their own fees** – from 1 Jan 2016, Universities will set their own fees for Australian undergraduate courses.
- **The government will contribute less** – from 1 Jan 2016, students will pay more towards the cost of their degree, and the government will pay less. The Commonwealth contribution will reduce by 20% overall.
- **Extending the demand driven system** – this system has been expanded to provide Commonwealth Supported Places for any undergraduate qualification offered by a University – Diplomas, Associate Degrees. Government funding has also been extended to students studying at registered higher education providers (incl TAFE).
- **Repaying the debt sooner** – The HELP loan will still be available, so students will not have to pay their fees upfront. However, the government has reduced the income threshold so graduates will start making their repayments sooner – when they are earning approx. $50,638.

For ACU students (if the changes pass in parliament), this means: Current ACU students or those who have accepted a place at ACU and elected to defer that offer on or before 13 May, 2014, will not be affected as long as they complete their degree by the end of 2020. Students who accept an offer of enrolment from 14 May 2014 until 1 Jan 2016 will be charged under the existing arrangements till 31 Dec 2015. After that, they will be charged under the new arrangements. ACU will be consulting with stakeholders over the coming months to determine the appropriate fees for ACU’s courses. Other Universities will, no doubt, make statements in due course.

New Website for Monash University – Check it out! Monash has created a new website to help you succeed in the final years of Secondary School, and to access vital information in one place. For example, it includes important dates, deadlines, registration for Monash events, VCE tips, study options and information about Career Paths. See: [www.destination.monash](http://www.destination.monash).

Arts at Monash – The Faculty of Arts has interviewed some new Arts students to ask them about their aspirations, why they chose Arts degrees at Monash, and their hopes for after graduation. Visit YouTube to view their videos: [www.youtube.com/watch?v=XxWbq_J0vyk](http://www.youtube.com/watch?v=XxWbq_J0vyk).

For more information about Arts see [www.arts.monash.edu](http://www.arts.monash.edu).

Business and Economics – What is problem-based learning (PBL)? PBL is offered as part of the Bachelor of Business at the Monash Peninsula Campus. PBL uses a small group approach, and focuses on problems similar to those in the workforce. Working in a small team and with an academic mentor, students create practical solutions to real-life problems, learning the principles of each subject. Site visits/industry placement form an integral part of this approach. Three ‘Majors’ are offered at the Campus: Business Strategy, Sports Management, and Marketing and Communication. Students may also undertake a different Major, including Accounting, at another Monash Campus. Information on YouTube: [http://www.youtube.com/watch?v=O5_b5UuA4Ds](http://www.youtube.com/watch?v=O5_b5UuA4Ds).

Computer Games Boot Camp – This seven day event is for students in Years 9-12, and gives an opportunity to experience everything connected to computer games and Information Technology. Learn from experienced industry professionals, talk to like-minded individuals and expand your networks by participating in workshops, tournaments, presentations, and activities. If you are interested in multimedia, designing or playing games, or looking to a career in IT, this is for you.

When: Sat 5 – Fri 11 July; Where: Monash Clayton; Info/register: [https://cgbc.infotech.monash.edu/](https://cgbc.infotech.monash.edu/)
Career & Pathways News Contd…

Art Design and Architecture (MADA) – MADA is hosting a range of three-day workshops for Year 11/12 students interested in studying creative disciplines. Students can build folios and attend foundation workshops in Architecture, Interior Architecture, Communication Design, Industrial design and Fine Art, and experience life at MADA. Industry professionals and academics will run the workshops and guide students through the lessons and activities. When: 1-3 July & 24-26 Sept; Where: MADA, 900 Dandenong RD, Caulfield East; Enquiries: 9903 1517, mada@monash.edu, Information: monash.edu/mada/workshops.

Nursing and Midwifery - Deakin University invites you to information evenings to learn about courses. Where/When: Burwood – 6-8pm, Wed 23 July & 2.30-4.30pm, Sat 26 July, Building Y, room 1.11 A and B; Geelong: 6-8 pm, Wed 23 July & 2.30- 4.30pm, Sat 26 July, Building AD, room 2.217; Warrnambool: 7.30pm, Fri 25 July, Timor St. Info: health-enquire@deakin.edu.au or Ph 9251 7777.

Interested in a Career with Animals? Various school holiday programs are again on offer. ‘Winter Wonderland’ is the theme this year.
- Healesville Sanctuary - a chance to get close to some of our most endangered alpine animals. The Keeper for a Day program allows you to help keepers and learn about a very rewarding job.
- Vet for a Day at Healesville Sanctuary allows you to see the vets working with real life cases involving the animal collection as well as injured wildlife brought into the hospital.
- Keeper for a Day at Werribee Open Range Zoo- find out what a keeper’s day is really like.

Law at the University of Melbourne – The annual Melbourne JD Showcase is coming up. At this workshop, master classes will be held on legal issues like So Sue Me! (what a negligence action is all about); Dispute Resolution interactive session, Refugee Law, and the Environment – who is responsible for contamination? The Showcase will give school students an interactive experience, combining sample law classes with information about Melbourne Law School and the JD degree. When: Wed 2 July; Cost: $66 (incl morning tea and lunch); Registration and payment: by 25 June at www.jd.law.unimelb.edu.au/schools; Info: Yvonne Au, 8344 8879, y.au@unimelb.edu.au.

A Career with Boats? The 2014 Boating Industry Association Boat Show will have a stand offering a range of information about careers associated with the boating industry including boat and engine manufacturing and retailing, marine accessories manufacturing and retailing, boat and marine engine repairs, marine distributing and wholesale, and tourism. Visit stand A36 from 11am-6pm, Thurs- Sun for career advice. Where: Melbourne Convention and Exhibition Centre, Clarendon St, Southbank; When: 11am-6pm, Thurs 12 – Mon 16 June. (Some free tickets are available for students from kaz@oellen.org.au). NOTE: Are you aware that the Australian Maritime College in Tasmania offers courses from certificates through to degrees in areas like boating, fishing, engineering and maritime architecture? Check out courses at: www.amc.edu.au.

Want to Study Accounting? Many accounting firms offer Cadetships to Year 12 students planning to study Business/Accounting at University. For example, Deloitte, EY, PwC, KPMG, and many others offer Cadetships. The usual arrangement is that those receiving a Cadetship study part- time and work with the company offering the cadetship part-time. This means that recipients gain real-world work experience, are likely to be offered employment on completion of their degree, and are financially rewarded. A good starting point to find out what is available is at: http://www.charteredaccountants.com.au/Students/Whats-on/Event-listing/National-event-info/Cadetships.aspx

Experience RMIT – If you are considering studying at RMIT, and in Years 10-12, don’t forget the RMIT ‘Experience Days’ and Tours on offer in the coming holiday break. They cover Marketing, Advertising, Public Relations, Journalism, Engineering, Information Systems, Science Laboratory visits, a Science day, a Trades’ day, and many more. See details at www.rmit.edu.au/experiencedays and www.rmit.edu.au/appliedsciences/discover.
Upcoming Excursions / Camps

To ensure the smooth organization and running of camps and excursions we request that permission forms and payments be returned to the school by the due date on the permission form. This enables the purchase of train tickets, food and venue tickets etc. in a timely manner.

Body Image Tips for Boys

Did you know that body image is how you FEEL about the way you look?

It’s actually NOT about what you look like.

We can change some things about the way we look but not everything. Your height, bone structure and muscle composition are determined by your genes - this is the way you were born. No two people were born to look the same way and it’s important to celebrate difference.

Trying to change your actual appearance can be hard and exhausting but you have the power to change the way you see, feel and think about your body.

Here are some tips on ways you can start to develop a more positive body image:

Don’t compare the way you look to anyone else. This is being very unfair on yourself, especially if you compare yourself to airbrushed images of sporting stars, actors and bodybuilders!

Treat your body well. Exercising MODERATELY, eating nutritious foods and never going on dangerous diets will make you feel more alive and positive about yourself. You only get one body – treat it well!

Don’t try to be someone else. You are perfect just the way you are. Don’t put pressure on yourself to build, sculpt, pump or exercise your way into trying to look like someone else. You don’t need to change for anyone. If a certain mate or group doesn’t like YOU for who YOU are – they are not worth hanging out with.

Focus on the parts of yourself you like. Everyone likes some parts of their appearance. Try to focus on those and enhance them with styles or clothes you like.

Remember that people on TV and in magazines don’t really look like that. Photos of celebrities, musicians, actors and sports stars who appear in the media are airbrushed, photoshopped and digitally enhanced. They all look the same and it isn’t realistic.

So easy on yourself... AND your mates! You probably treat your friends well so what would it be like if you treated yourself with the same respect? Go easy on yourself and notice the difference. Support your mates by never bullying, teasing or putting anyone down. Be proud of who you are and appreciate the differences between you and your friends.

You are much more than the way you look. Have fun with the way that you look but don’t let it rule your life. Putting energy into the things you are good at, things you love doing and people you love being around will make your life fun and meaningful!

If you feel down or worry about the way you look, Butterfly can help you. Call our Support Line on 1800 ED HOPE (1800 33 4873) or email us at support@thebutterflyfoundation.org.au

Triple P. Stepping Stones

TRIPLE P. STEPPING STONES  
IS A PARENTING PROGRAM SPECIFICALLY FOR PARENTS AND CAREGIVERS OF CHILDREN WITH DISABILITIES, AND HELPS FAMILIES DEAL WITH EVERYDAY PARENTING ISSUES AS WELL AS MORE COMPLEX PROBLEMS.

This program will be facilitated by Parentzone Gippsland. The aim of the program is to increase parents skills and confidence in raising their children with disabilities. The program will cover:

- Goals for change  
- Positive parenting  
- Developing a positive relationship with your children.  
- Understanding causes of children’s behaviour.  
- Ways to encourage cooperative behaviour.  
- Strategies to deal with difficult behaviour.  
- Educating children on new skills and behaviours.  
- Family survival skills.

Dates:

Friday mornings for five weeks  
30th May 2014  
6th June  
13th June  
20th June  
27th June  

Time:  
11.00 am to 1.00 pm  

Venue:  
Meeting Room  
Bairnsdale West Primary School  
Wallace Street  
Bairnsdale  

Off street parking available  
Please sign in at the front office

This group will provide parents with the opportunity to meet with other parents in a safe and confidential environment.

Sessions are free.  
Please register your name before commencement of the program.

For more information or to register please contact:

Parentzone Gippsland at Anglicare Victoria Morwell office - 5133 9998  
or Anglicare Victoria Bairnsdale office - 5152 1213

Parentzone Gippsland is the Regional Parenting Service in Gippsland and receives funding from DSE and FACS.  
Anglicare Victoria is proud to partner with Parentzone to deliver this program.
