Hello Everyone,

We are fast approaching the critical time of the year for Year 12 students. For those wanting to get an ATAR score the VCE exams will be starting in under two weeks. Other students, who are seeking employment, will be getting out into the community looking to see what opportunities are available for them. Regardless of the focus, the Careers Pathways team is always willing to lend support if it is needed and asked for.

On behalf of all the teachers and support staff who have worked with our Year 12 students during the time they have been at Kurnai College, we wish them well as they come to the end of their secondary schooling.

With this in mind teachers will be completing Year 12 reports much earlier than usual. While we have not yet finalised the date for publishing these reports online we hope that this change will be useful for those students looking for work. Students will be notified when the reports are available.

Private Study (PS) Period 5 Wednesday
Year 11 students have started to use their Wednesday period 5 spare as a supervised structured study period. The value of having a study session with staff in attendance to assist cannot be overstated and it also begins to set the routine for Year 12 study next year. The present Year 12 students have seen the value of having structured private study over the entire year and speak highly of it. Many students have set themselves a routine whereby they meet with different teachers and combine this with PS during the period.

Please encourage your student to attend these Private Study sessions to gain the great benefits that flow from them.

VCAL Masterchef
Sometimes the job of a Campus Principal can be very risky. This was never more apparent than when we were asked to be judges of the meals presented by the VCAL Catering class. Not quite knowing what to expect and with Zantacs at the ready we turned up on Tuesday lunchtime last week. What we were presented with was an amazing array of food that looked great on the plate and tasted even better. Congratulations to all the students involved and their teacher, Nicole Carder, for what was the most enjoyable lunch time we have had for some time. A pity I had to spend so much time arguing with my fellow judges about who would get the final morsels. And now back on the diet.

P Plate Drivers
Carrying more than 1 passenger while on red P Plates is an offence and will result in the loss of 3 demerit points or worse. Students who have just got their license need to be fully aware of the responsibilities that rest with them as drivers. It is the responsibility of the P-Plater to say “No” to their friends if they put pressure on them to drive somewhere in a group. The local police have been informed and will keep an eye on this around the Uni Campus in the future.

Signage
While we have been called Kurnai College - University Campus for some time now, the signage at the front of the Campus did not reflect this change. This situation has now been rectified with the removal of the Gippsland Education Precinct sign and the erection of new signage that makes it very clear to anyone driving up Northways Road that we are Kurnai College, University Campus. It makes it a lot easier when telling people that don’t know Churchill how to find us. Thanks to Brigid for her work on this.

Student Assemblies
The second of the Campus student led assemblies was held on Tuesday, this week. Vice Captains, Jade Smith and Brandon Welsh spoke to the whole campus on a range of topics that affect the student body. The monthly PBS award was drawn and won by Harmony Nolan.

James Piripi, representing the Year 12 Health class, spoke about the Birthing Kit Foundation that the class raised funds for. Year 12 Captains spoke about the upcoming Celebration Day to be held on 22 October.

These assemblies will be held every month with the SRC taking the lead on the topics that affect our students.
Stress Less: Dealing with Stress and Anxiety

Social Support network: FRIENDS

Good friends get you through tough times and knowing they are there for you throughout the good, bad and ugly is hugely comforting.

Having a strong social support network made up of friends and family can be critical to help you through stress, whether you’ve had a bad day at school, worried about exams or have had a terrible year.

Several studies have demonstrated that having a network of supportive relationships contributes to psychological wellbeing and benefits you in many ways such as:

- Friendship gives you a sense of belonging and wards off loneliness
- Increased self-worth in knowing that people like and care for you and want to be around you
- A feeling of security by giving you information, advice, guidance, assistance and comfort knowing that you have people you can turn to in a time of need.

So in times of stress and anxiety remember to lean on your friends and family. Catch up, have a chat, whinge and debrief about events. Getting things off your chest and talking them through with someone you trust is a healthy and important method of dealing with stress.

Buses to and From School for 2016
Does your child need to catch a bus to school in 2015 and will they be starting to catch a bus to a different Campus in 2016?

Public Bus Travel for Ineligible Students - MYKI Card Required

☐ Morwell students attending Churchill Junior Campus
☐ Traralgon students attending University Campus and Churchill Campus

Students who are not attending their closest school are not eligible for conveyance allowance (assistance with financial costs to travel to school).
We encourage families to purchase either a Student Yearly or Half Yearly Concession Card with MYKI Card from their local V/Line Station. This allows your child to travel anywhere within Victoria for free as per PTV website terms and conditions.
Concession cards can be used on the following services:
• on train, tram and bus passenger services operating in metropolitan Melbourne
• on train and bus passenger services operated by V/Line throughout regional Victoria
• and other public transport services operated under contract or service agreement with Public Transport Victoria (PTV).

Students who Live in Morwell and are Currently in Year 10 and will Attend University Campus in 2016
Students who are eligible to travel from Morwell to University Campus for their Year 11 classes for 2016 have been issued with Conveyance Claim Form (Bright Green) and Form 1 : DET & PTV Application for Permission to Travel (Pale Yellow) that needs to be completed and returned by next Wednesday 20th October 2015.

Morwell Campus Students Year 10 2016
Students have now been issued with Form 1 : DET & PTV Application for Permission to Travel (Grey form) that is to be signed by parents and student and returned to the General Office by 20th October 2015. This will enable them to travel to and from University Campus in 2016.

We have recently conducted an audit of Boolarra, Hazelwood North and South, Whitelaw’s Track, Jeeralang and Yinnar Buses and it would appear that there are an increasing number of students who are on our bus rolls that are not regularly catching these services.
Please be aware that if the number of students continues to decline (‘bottoms on seats’) on some of these services they will be reviewed accordingly by DET/PTV.
Our College has worked hard to deliver the best outcome for our families and continues to apply to adjust these services to meet the needs of our students.
Please ensure your child is on the bus more than fifty percent of the time.

Anticipated Loadings for 2016
Please ensure that if you know of any children that will need to start using these services in 2016 (either new or change of address) that they contact the school to ensure they are on our bus rolls.
Services are reviewed by DET/PTV annually at this time and we need to ensure that they are included as being part of our Bus Network.
For any enquiries regarding school bus services, please contact Leonie Mackie on 5165 0610 or ring your Campus General Office who will refer your enquiry.

If at any time you change your address and you are an eligible bus traveller, new bus forms will need to be completed for your child.
Without the ongoing support of local businesses and community organisations, our VCAL Structured Workplace Learning program would not be viable. Students in VCAL must complete a work placement one day a week as part of their studies. This provides students with experience in a variety of industries and with opportunities that they cannot get in a classroom setting. In upcoming newsletters we will acknowledge some of the other local businesses/organisations that have supported our program by taking on VCAL students.

A big thank you to:

- **Latrobe City – Depot**
- **Gaztronomy**
- **Norris Hair Gippsland**
- **Classy Painting Services**
- **Kurnai College Morwell Campus**
- **F&T Fitting and Machining**
- **Mitchell House**
- **True Join Constructions**
- **Traralgon Timber and Hardware**
- **Latrobe Leisure Churchill**

We are always looking for willing businesses to take on work placement students. If you would like to find out more about the VCAL program or to discuss the benefits of taking on a work placement student, please call the VCAL team on 5132 3800.

1. **Year 12 News**

   Hopefully you have applied for a course through VTAC if you plan to commence tertiary study next year. You can still apply as a **late applicant** now, but it will cost $95.00, not $29.00.

   - **Change of Preference (COP)**
     
     Remember, you can **change your application (preferences)** as much as you like until 10 November, then again from **23 November until 12 noon on 21 December, 2015**. VCE students will receive their results on **Monday 14 December**, so you will have a week to re-consider your VTAC application. Use this time to contact or visit tertiary institutions if you are uncertain, or contact me at school for advice.

   - **Offers** of places at tertiary institutions commence on **18 January 2016**, with more places on offer later on (there will be five ‘rounds’ of offers in total). You are advised to **accept the first offer** you receive as most likely it will be your only offer (around 80% of applicants will only receive one offer); however, accepting an offer does not mean you cannot receive another offer in a later round of offers.

   - **Where can I get Assistance during‘Change of Preference’ Week?**
     
     The week after you receive your ATAR is generally known as **Change of Preference (COP) week** (Mon 14 – Mon 21 December).
