CAMPUS PRINCIPAL’S NEWS

Hello Everyone,

We are fast approaching the end of Semester 1. Over the past few days students in Years 9 and 10 have been completing their end of semester exams. The comments from teachers about the way that students have conducted themselves in these exams has been very pleasing with students generally focusing on the tasks for the entire exam period and trying to do their best.

On Wednesday Year 10 attended the GEP Campus for First Step, a day when students can find out about the different subjects and programs that are available at the GEP. This begins the information and interview process that helps students identify and select the most appropriate pathway for them when they shift from Year 10 to Year 11. The process will include an Information Evening for parents and an interview with each student and their parents so that when the choices are finally made for next year the choices are informed and designed to meet the needs of each student. I would encourage all parents to become involved in this process and be aware of the choices that your student is making for 2013 and beyond.

On **29th June** being the **last day of Term 2**, classes will finish at lunchtime (**1.05pm**) for local students and bus travellers will be supervised until 2.00pm

In the second week of Term 3, a group of students and teachers from China will be arriving at Kurnai College for a study tour that will include a mix of English Language classes, attendance in regular classes and organised activities in the local area. We are looking for expressions of interest from local families who would be willing to host a couple of Chinese students for the week starting Monday 23rd July. Families will receive financial support of \$30 per student per night. If you are interested please contact Corine Noblet on 5132 3800.

A final reminder that **Report Writing Day** will be held on **Friday 15th June**. This is a student free day and no student should attend school on this day.
