**Message from Campus Principal - Michelle**

**End of Year Program**

This week Year 10’s have completed their Year 10 Core (English, Humanities, Maths and Science) exams, as well as their Units 1&2 VCE exam, and Year 9’s will have Maths and English exams on Friday. They will celebrate the end of middle years with their formal dinner on Thursday evening.

All other year levels are finishing up final assessments as teachers prepare to write Semester 2 reports, which will be published on Compass during the last week of school.

Wednesday next week (3rd December) sees all other year levels participating in a celebration of their year’s achievements. Please ensure that all permission forms for these events are returned by the due date, as we do not want students to miss out.

Thursday 4th December is Report Writing Day, and students are not required to attend.
Headstart

The first day of our Headstart Program for students in Years 8, 9 & 10 is Friday 5th December. Students will commence their 2015 program, so it is essential that all students are in attendance.

Headstart continues until Wednesday 17th December – this is our Awards Presentation Day, commencing at 10:30am. All parents, carers, and other family members are invited to attend this event to help us celebrate our special achievements across the year, as well as having the opportunity to observe student projects from wood, metal, and textile classes.

Students who will be in Year 11 in 2015 commence Headstart on Monday 1st December. It is essential that students attend every day; otherwise they will be two weeks behind in their study program.

HPV

The Year Nine Human Powered Vehicle class recently completed the RACV Energy Break Through 24-Hour race. Kurnai Morwell entered two teams this year, an all-boy team called Torminator captained by Brendan Briggs and for the first time ever an all-girl team called Fergalicious captained by Ellie Pollutro. Both teams completed a 20 minute presentation on what they have learnt, the adversity they faced and the training they have undertaken throughout the year.

On the Friday night, both teams completed their qualifying with the girls completing the most laps and finishing first in their class and team Torminator to start from 49 on the grid (3 grid spots behind the University Campus team Dark Secret).

The race started at 1:30pm Saturday and for 24 hours straight. Both teams raced 110 other cars from schools all across Victoria, NSW and South Australia. Competing against arguably the strongest school at the carnival, Fergalicious finished third in their class, only 16 laps behind the boys team who ended up 31st in a very strong class.

In 24 Hours, Torminator completed 380 laps or 494kms (Morwell to Albury NSW) and Fergalicious 364 laps or 473.2kms.

A big thanks to all the support staff - Mellissa Ross, Ange Northover, Bernie McLeod and Steven Dockley.

In particular a huge thank you to Daniel Murphy, who has spent the whole year helping the class build the cars, raise money, develop their presentations and develop their fitness ready for the race. This was Daniel’s first year organizing HPV and he has demonstrated exemplary leadership skills.

Also, we could not have been so successful without our sponsors: AGL, O&M Engineering, Traralgon Automotive Group, Young Signs, Hip Pocket Workwear and Lion Nathan Foods. Please consider supporting these businesses, as they have made a great contribution to our school.

Team Members:

Torminator: including; Will Kennedy, Brandon Pedley, Tanner Higgins, Reece Lewis, Josh Hall, Josh McLeod-Dryden, Shannon Whadcoat and Mick Berger.

Fergalicious: Ellie Pollutro (C), Gemma Francis (VC), Shaina Dykes, Sophie Greenwood, Chelsea Laidlaw, Racheal Peter, Libby Towns, Liz Rauschdorf, Tiara Vajler, Emily Brabazon and Nyabiey Jiath.
Booklist for 2015

Binder books for students to use in class have been omitted from next year’s booklists. Students in each year level will need to purchase 2 binder books for each subject they are doing in 2015. These may be purchased from the Morwell Newspower Newsagency or any retail store that sells these items.

SECONDHAND BOOK & UNIFORM SALE

TUESDAY 2nd DECEMBER 2014  3:00 PM TO 6:00 PM
MORWELL CAMPUS – B2
CHURCHILL JUNIOR CAMPUS – LANGUAGE CENTRE

NO EARLY SALES

Books and uniform may be handed in for sale until Friday 28th November 2014. Please see the list of books eligible for resale in the General Office.

VCE books will be distributed evenly between the two campuses.
Year 7 News

This is my last newsletter as Year 7 Team Leader for the 2014 cohort. In two weeks time, this amazing group of students will be Year 8’s. I am very proud to have been able to work with these Year 7’s and have enjoyed the year immensely. They arrived at the start of the year a little lost, dazed and confused, but enthusiastic, and their year has seen them bounce from success to success. I am confident that they will continue to be just as successful and that their futures hold a lot in store.

Celebration Day

To finish up the year, we will be having the Year 7’s “take over the school” for Celebration Day on Wednesday 3rd December. A letter will be sent home early next week with further details, but please be aware that the Year 7’s will start at 9am that day. They will not be required to be in uniform and we will provide them with lunch. There is no cost for the day and they are not leaving the school. Celebration Day is an opportunity for our students to get together with the Year 7 Team one last time before they move on to Year 8.

2015 Year 7’s

To the parents of the 2015 cohort of Year 7’s who are receiving this newsletter for the first time, I look forward to seeing your children again on Orientation Day (Tuesday, December 9th). Please also be aware that there is a Parent Information Night on December 11th. Flyers are attached to this newsletter with further information. If you have any questions or concerns about the transition of your child, please don’t hesitate to contact me either by email at swallow.daniel.d@edumail.vic.gov.au or by phone on 5165 0600.

Kurnai College Four Pillars

Engagement: We actively participate in our own learning
Excellence: We do the best that we can do
Work Ethic: We are committed to working hard
Relationships: We value and respect each other
Year 8 News

Selection of Non-Core subjects for Year 9

The process of selection of non-core subjects is underway. Students have experienced a range of non-core subjects over Year 7 and 8. In Year 9 they have the opportunity to choose non-core subjects and projects that are of interest to them. Students need to ensure their class selection sheets are returned to Ms Hudson as soon as possible.

Year 8 Celebration Day

Year 8 students will have the opportunity to finish the year with a Celebration Day on Wednesday 3rd December. Students will begin their day making their own healthy lunch to take with them. We will have some activities and free time at Apex Park in Moe then go to Stadium 34 for roller skating and indoor soccer. We will return to school by 2.50. Students should bring snacks and a water bottle. Permission forms are due back Friday morning.

End of Year

Year 8 students are currently in the processes of completing their final assessment pieces for each of their classes. I encourage each student to discuss their progress with their teachers and confirm that they have submitted all work requirements. Most students have worked well this year and have achieved pleasing results. I look forward to celebrating the year’s achievements with students at Stadium 34 on Celebration Day. I’ve included a few photos showing some of the highlights of the Year. Well done Year 8’s on a great year and all the best with your studies in Year 9!
This is the final full week for Year 9 Students. Next week sees them head off to start their Year 10 courses. Monday Period 5 they will go to the University campus to try their VCE courses for the first time, on Wednesday we have our celebration swimming day, Thursday all students are out for report writing day and Friday is the beginning of Headstart for all students.

They have been a fantastic group to work with this year and the team would like to congratulate them on their outstanding effort, work ethic and community spirit over the course of the year.

We also say goodbye to two of our staff members as Leanne Baxter moves across to the Churchill Campus and Kim Woods retires at the end of the year. These teachers have given a great deal of support and guidance to our students throughout the year and have been integral to the Year 9 team and will therefore be greatly missed. We wish them all the best for the future.

A reminder to call our **absence hotline 5165 0611** preferably before 9.00 am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Duke of Edinburgh Adventure Camp

Twelve Year 9 students set off on their final assessment task to achieve their Bronze Medallion in their Duke of Edinburgh Award. We went on a two day overnight sea kayak trip and had the opportunity to work with Glen from Gippsland Kayak Tours who showed us the ‘ropes’ (well he really only showed the ropes to those who didn’t want to tough it out sleeping under the stars!!!). We had the opportunity to see some of the picturesque places on the Gippsland Lakes, including Perry River, Avon River and Lake Wellington; which can only be reached by those in a boat. There was plenty of wildlife in the scenery as well ... and the fish were jumpin’. We managed to navigate our way down the river with a compass taking our bearings as we went (some not so successfully – as they paddled the wrong way up the river reaching Lake Wellington before realising they might have gone the wrong way!!!) And the camp ... well the camp had NO creature comforts like hot showers, OR flushing toilets, OR a kitchen!!!! But we did have a camp fire, our sleeping bags and each other for comfort – but not much WARMTH). All-in-all we did learn heaps about ourselves, our strengths and our weaknesses – (we also learnt of the importance of reading the weather report before setting off overnight including ensuring we had heaps of warm clothes!) and how to enjoy each other’s company getting back to basics. Thank to Ms Woods and Ms Baxter for attending the trip with us!
Year 10 News

Farewell to the 2014 Year 10s

The 2014 Year 10 cohort have now officially finished their schooling at the junior campus. They have spent the last week completing exams, and tonight will celebrate together at the Year 10 formal. Students will begin their Year 11 classes on Monday 1st December at the University Campus. It is important that all students attend the two weeks of Headstart so that they are well prepared for their VCAL and VCE studies next year. Many teachers will be setting homework in their units during this time and a lot of work will be undertaken which will put any student not attending Headstart behind at the very beginning of the year.

On behalf of the staff at Morwell, we would like to wish all of the Year 10’s the best with their future endeavours and look forward to hearing about all of the adventures their futures may bring. It has been a pleasure watching them grow over the last four years into the people they are today.

Kurnai College Four Pillars

**Engagement:**  We actively participate in our own learning
**Excellence:**  We do the best that we can do
**Work Ethic:**  We are committed to working hard
**Relationships:**  We value and respect each other
Every week staff at Kurnai College identify students who they feel are reflecting the four pillars of Kurnai College and send them a postcard. The pillars are **Relationships, Work Ethic, Excellence and Engagement**.

Congratulations to the following students who received a postcard recently.

The Centre for Multicultural Youth and Netball Victoria would like to welcome you to participate in a series of Netball clinics over the upcoming summer period. The program is targeted at young people from diverse cultural backgrounds aged between 13 and 17 years, however please feel free to bring along your families, siblings and friends as all are welcome.

The program will be running in both Moe and Morwell. Please see details below and contact Tori Stratford on 51369168 or tstratford@cmy.net.au for more information.

Moe Netball Centre
Saviges Road, Moe
Every Thursday beginning 11th December
4pm—5.15pm

Morwell Park Netball Courts
Cnr Vary St & Hourigan Rd, Morwell
Every Tuesday beginning 9th December
4pm—5.15pm

Parentline Victoria
13 22 89 - 8am to midnight 7 days a week

- Parentline provides a statewide telephone counselling service to parents and carers of children aged from birth to eighteen years
- Professional counsellors are able to explore a variety of issues that impact on parenting and relationships
- Parentline can provide contact details for community services
- Parentline respects the confidentiality and right to privacy of callers

'I often lack confidence in what I am doing so being able to talk with someone was really great for me. I did not feel put down or judged…'

'I felt a connection with the counsellor. They tailored (the call) to my situation.'
Upcoming Excursions / Camps

To ensure the smooth organisation and running of camps and excursions we request that permission forms and payments be returned to the school by the due date on the permission form. This enables the purchase of train tickets, food and venue tickets, etc, in a timely manner.

Kurnai College Four Pillars

Engagement:  *We actively participate in our own learning*

Excellence:  *We do the best that we can do*

Work Ethic:  *We are committed to working hard*

Relationships:  *We value and respect each other*
Anxiety is one of the most common health problems among adolescents.

Approximately 1 in 10 adolescents suffer from anxiety.

No matter how old or young you are, everyone experiences anxiety at times.

Anxiety is a normal reaction. It can even be helpful in some situations.

Anxiety can become a problem when it stops someone from doing things they need or want to do.

When teenagers become anxious, it may come across as anger or frustration. When this happens, it can be hard for others to tell whether the teenager is worried about something or whether they are just being defiant.

There are many different types of anxiety. Here are just a few….

- Some teenagers worry all the time about many areas of life like their grades, health, things going on in the family etc.

- Other teenagers are scared of specific things like heights, injections, snakes or small spaces. Others feel shy and feel uneasy about interacting with others, or being the focus of attention. They worry about things like making speeches, joining in with a group of teenagers their own age, & talking to new people.

- Another common fear is of being separated from loved ones or home. This can make teenagers feel worried when their parents go out, or when they stay the night away from home.

- Some teenagers suffer from panic attacks, where out of the blue they feel really scared and they don’t know why. They may experience a sudden rush of fear, racing heart, sweating, dizziness, and difficulty breathing.

MANAGING ANXIETY

Some of the management options for anxiety disorders include:

Learning about anxiety, Relaxation techniques, Correct breathing techniques, Cognitive therapy, Behaviour therapy, Counselling, Dietary adjustments, Exercise, Learning to be assertive, Building self-esteem, Structured problem solving, Medication.

KURNAI COLLEGE MUSIC

2015

Expression Of Interest

Name of Music teachers and instruments available for students
Joseph Bonnici – Woodwind, Brass, Percussion, Voice and Keyboard
Ian Hopkins – Strings
Chris Grevett – Woodwind, Brass, Percussion, Voice and Keyboard

Fees
Enrolment – $85
Covers the costs for additional materials given to students - manuscript pad, clear pocket folder, a book related to the instrument, music theory book, as well as transport and maintenance of equipment
Hiring – annual fee
Kurnai College owned Instruments - $100
Costs of actual lessons – FREE

Arrangement of classes and rehearsals
• Classes occur once a week during the school day;
• Length of classes will be 30 minutes;
• Class time rotates every week;
• Classes can be individual or in small group;
• Rehearsals occur once a week either during a class time or after school;
• Length of class time rehearsals will be One hour and will rotate every week;
• Every student that has music classes at Kurnai College will be placed in an ensemble or band of some sort;
• Once a term students will participate in an ALL DAY REHEARSAL. This may be on campus or at another campus to rehearse with other music students.
• Classes and rehearsals are in preparation for performances.

Process
1. The Kurnai College Music Program 2015 Expression Of Interest form must be filled in
   (Attached). This is an expression of interest only. This form is to be handed in to the
   General office of the nearest Kurnai College campus at your earliest convenience.
2. Parents will be contacted once form has been received.
3. Parents will be contacted when their child has been successful in attaining a position. The
   Kurnai College Music Contract will then be issued to the parents. To be successful in
   attaining a position, parents will have two weeks to submit the Kurnai College Music
   Contract to the General Office of the students’ enrolled campus. Once appropriate money
   is finalised, classes will commence.

Yours sincerely,

Joseph Bonnici
Head of Music – Kurnai College
Expression of interest form

Do you live in Morwell?

Are you worried about the coming fire season?

We can offer you support...

In the lead up to the 2014/15 fire season, Red Cross is working with Latrobe City Council and other recovery partners to help link those affected by the February fires with their community and other support agencies.

We recognise that recovery may take some time so if you need to talk to someone about your fears or concerns you can:

REQUEST A HOME VISIT
One of our trained Red Cross personal support volunteers will visit you at home at a time of your choice and may refer you to specialist or support agencies as required.

VISIT THE CIRC
You can visit the Community Information and Recovery Centre at 20 Hazelwood Road, Morwell during business hours (9am to 5pm). Our trained volunteers are available for you to talk to and provide advice on further support services.

CONTACT DETAILS
To arrange a visit, please contact the CIRC on 5128 5778 or email recovery@latrobe.vic.gov.au

For more information about the program call Tehra Fikret, Red Cross Recovery Coordinator on 0439 843 822 or 8327 7886.
Changes to the Secondary Schools Tax File Number Program in 2015

Dear Brett Coad

The Secondary Schools Tax File Number (TFN) Program will not continue beyond 31 December 2014. This means that School TFN forms will no longer be processed beyond this date.

How students can apply for a TFN from 1 January 2015

The Australian Taxation Office in partnership with Australia Post is making it easier for individuals to apply for a TFN.

Students can now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

Applying online is the fastest and most convenient way for students to get a TFN. More information on applying online can be found at ato.gov.au by searching for 'QC27246'.

Students who are unable to visit a participating Australia Post office will need to complete the application form Tax file number - application or enquiry for individuals form (NAT 1432). More information about lodging this form can be found at ato.gov.au by searching for 'QC22504'.

The ATO will continue working with teachers to educate students about tax and superannuation. The curriculum resource Tax, Super & You is a free, easy to use, online educational resource aligned to the school curriculum of each state and territory. This resource can be accessed at taxsuperandyou.gov.au.

In the coming weeks we will provide more information by email on how students can apply for a TFN and the educational services we can provide. In the meantime if you require any further information you can phone 1300 130 232 between 8:00am and 5:00pm Monday to Friday.

Regards

Steve Vesperman
Deputy Commissioner of Taxation
The Latrobe and Francis Orchestras extend to you a warm invitation to attend

AN AFTERNOON OF
CHRISTMAS MUSIC

With special guests; the Yallourn Madrigal Singers and St Paul’s Concert Band
