Kurnai College Swimming Sports

As mentioned in the last newsletter, Term 1 is particularly busy. This week we had our College-wide swimming sports that was well attended on a very cold day. Nevertheless, the sports went ahead and by all accounts students had a fun day representing their house teams.

Team Building Days

Each year level team will be participating in team building days at the Mirboo North Pool. These days are very important in team development and social interaction. We strongly encourage students to partake in these days. Please remember to return permission forms by the required dates.
Message from Principal continued......

School Photos

On Wednesday, students had their class and individual photos taken. Unfortunately we had to take these photos indoors due to the inclement weather. Photo packs will be available shortly for those who have returned their forms.

School Leaders

The process for electing school captains and PBS leaders has now been completed and we will be presenting the successful students with their badges and introducing them to the whole school cohort next Tuesday at the school assembly.

Stationery Drive—The Smith Family & DHHS

Through our partners, The Smith Family and DHHS, a stationery drive was conducted by the DHHS Call Centre, Moe, and so a large number of stationery items has arrived at the College. We would like to thank all those involved for their kind generosity and look forward to their continued support. Our next newsletter will have more information on this.

School-Wide Positive Behaviour Support

Our Campus was one of the first schools in Gippsland to adopt SWPBS. This is a system to manage the behaviours of all students across our College, and focuses on teaching the correct behaviours, rather than punishing the wrong ones. Of course there are consequences for inappropriate behaviour, however we believe that teaching the right behaviours is more successful.

We are seeking parent representation on our SWPBS committee, as parent participation is an important part of the program

If you are interested or require further information please contact Wayne Bass at the campus.
Postcards

As many parents would already know, students at Kurnai College who demonstrate consistent high levels of Engagement, Excellence, Work Ethic, and Relationships (ie, our Four Pillars), receive postcards acknowledging their achievement.

These postcards are awarded regularly by staff, who are asked to send one or two cards each week.

This week’s recipients are:

Insurance and Ambulance Cover

Parents are reminded that the Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs. These costs may be recoverable where an injury is caused by the negligence (carelessness) of the Department, a school council or their employees or volunteers.

Student accident insurance policies are available from some commercial insurers. These cover a range of medical expenses not covered by Medicare or Private Health Insurance.

Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. The Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property.

The Kurnai Booklist is now available online

The 2016 Booklist contains a list of all of the books and stationery required for each of the year levels from Year 7 to VCE and VCAL. It is important for students to have the right tools for their 2016 classes.

Visit the website [www.newspowercentre.com.au](http://www.newspowercentre.com.au) and click on the link at the bottom of the page for the full list.

For the full list you can also visit our booklist supplier – Morwell Newsagents (Valleywide Educational Supplies) 174-176 Commercial Road, Morwell or your school office for a copy of the list.

Any students who will study VCE English in 2016 will also need to get and read the English novels by the end of the summer holidays.

A reminder to call our absence hotline 5132 3711 preferably before 9.00 am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Year 7 News

Start of Year 7

The start of Year 7 was nerve racking because we thought the work, students and teachers would be very different to what we had experienced. We found it really different to primary school and everyone is behaving better than before. We enjoy moving around from room to room and taking the new classes like Science, Drama and Chinese. Heaps of new friends have been made and new teachers met. All of us felt that moving to a new school would be exciting and fun, but the lockers got us frustrated in the beginning. All in all, we believe that all of the students have had a great and happy move.

School Swimming Sports

On Tuesday 16th February, we had the school swimming carnival. We participated in a range of competitions such as diving, breaststroke, backstroke, butterfly, freestyle and iron man/woman. We also had fun games such as bathtub race, lilo race and a really fun tube relay. The weather on the day was freezing - it even rained - and the pool was ridiculously cold, but the warm canteen food came to the rescue. At the end of the day we had our results; Freeman came in first, Forsythe came second, Siddle came third and Thorpe came last. We all had a freezing, but ultimately amazing day.

Team Building Day

We are looking forward to students further developing their relationships with each other as well as getting to know their teachers at the Year 7 Team Building Day at Mirboo North Pool. This is a great day out that is always very popular. Please ensure permission forms are returned by Monday 22nd February 2016.

Camp Coolamatong

Forms have also gone out now for Year 7 Camp. Deposits are due very soon. This is one of the most important events on the Year 7 calendar and it is strongly encouraged that all students attend. Please contact me if you have any concerns that prevent your child attending.
Year 8 News
The past fortnight has been a busy one for the Year 8’s and has seen them settle into a regular routine.

College Swimming Sports
This week has seen our participation in the swimming sports with a record number of Year 8’s attending. It was wonderful to see the students dressing in their house colours to participate in the events and getting into the spirit of the occasion, despite the cooler change in weather. The day provided a wonderful atmosphere and is hopefully one that can be replicated next week at our Team Building day.

School Photos
On Wednesday, I was incredibly impressed with the turnout from Year 8 as they looked very smart in the correct uniform when they presented themselves for their photographs. A special thank you has to go to our Team member, Mrs Ross, who coordinated the photos with the support of her assistants Oliver Spiteri, Nathan Garsia and Josh Giles.

Team Building Day
Next Thursday is our Year 8 Team Building day. We encourage all the Year 8’s to attend, as the purpose is to build relationships between staff and students and to enrich your child’s learning potential. Please return permission slips so your child does not miss out. If there is any difficulty with payment, please do not hesitate to contact myself or a member of the Year 8 Team.

Readers
Currently, our expectation is that all students should be reading in form group every day and should also be carrying a reader to their classes with them. I have noticed a number of students recently who have not been bringing books to class. Please check your child has a book to read at school and encourage them to read at home to further enhance their learning.

Year 9 News

Team Building Day

On Tuesday 1st March, all Year 9 students will be spending a relaxing day at the Mirboo North Pool. There will be an inflatable dinosaur – Nessie, for the students’ use as well as a BBQ lunch and other activities. Students do not have to swim but we would like everyone to attend and ‘hang out’ with the Year 9 teachers and students. Permission forms have been given to students and need to be returned by Friday 26th February 2016.

Class Changes

All class change requests that were possible have been made and students have been provided with a new timetable. Unless there are extenuating circumstances, class changes will no longer be possible.

All timetables are available on Compass, however, I suggest that students put a copy in the front door of their locker so that they can take the correct equipment for each class.

Equipment for Classes

Students require a workbook for each subject and the necessary stationery; such as pens, pencils and highlighters. Kurnai College is a ‘bring your own device’ (BYOD) school and, as such, students will also require a device to use in classes. School resources are limited and are not always available. A mobile phone is useful for some tasks, however, is not ideal when trying to read or produce documents.

If you have any difficulties, concerns or questions regarding the devices please phone me on 5165 0600.

A reminder to call our absence hotline 5132 3711 preferably before 9.00 am if your child is not going to be at school. This will ensure your child’s absence is recorded correctly and you don’t receive a phone call from our office.
Year 10 News

Team Building day

The Year 10 Team Building day at Mirboo North pool is on February 24th and the day is a fun day for our Year 10’s and the Year 10 staff, to begin to developing good relationships. Please remember to hand in permission forms and $15 as soon as possible. We would love to see every student attend the team building day.

Uni Taster days

Year 10 provides a number of career opportunities for our students. One such opportunity is the ‘taster days’ at Federation University at Churchill. Many students have already registered their interest by signing up for a number of different courses. On the day, students will be given a taste of the University course requirements which will help when decisions need to be made about VCE/VCAL subject choices for Year 11 and 12 and beyond.

If you haven’t already done so, I encourage you to put your name down for at least one taster day!

Work Experience

Work Experience is in Term 2, from May 9-20. Remember to have conversations about possible careers and think about places where students could do their Work Experience. The preparation for Work Experience will be undertaken in our Team Time classes. It is vital students attend these classes and use the time provided to arrange their Work Experience placement.

Upcoming Excursions / Camps

To ensure the smooth organisation and running of camps and excursions, we request that permission forms and payments be returned to the school by the due date on the permission form. This enables the purchase of train tickets, food and venue tickets, etc, in a timely manner.

Public Bus Travel for Eligible Students – live over 4.8km from school by the shortest route

All students who have in the past claimed conveyance allowance to attend Morwell Campus need to complete a new Conveyance Claim form for 2016 and return to the General Office prior to **Friday, 19th February, 2016**.

If you have misplaced this form please go to the General Office for a replacement immediately.

This form is so that Kurnai College can claim money on your behalf to pay directly to Latrobe Valley Bus Lines for students to travel on the bus in 2016.

If this form is not returned students/families will be required to purchase their own MYKI card as the school has not been authorised to claim these funds on your behalf.

Please note the school issued ID Card will no longer be able to be used to catch the bus.

Public Bus Travel for Ineligible Students - MYKI Card Required

- Morwell students attending Morwell Campus that live under 4.8km
- Students who are not attending their closest school are not eligible for Conveyance Allowance (assistance with financial costs to travel to school).

We encourage families to purchase either a Student Yearly or Half Yearly Concession Card with MYKI Card from their local V/Line Station. This allows your child to travel anywhere within Victoria for free as per PTV website terms and conditions.

Concession cards can be used on the following services:

- On train, tram and bus passenger services operating in metropolitan Melbourne
- On train and bus passenger services operated by V/Line throughout regional Victoria
State Schools’ Relief
Year 7 uniform package initiative

The Affordable School Uniform Program

Program background
Each year, State Schools’ Relief (SSR) provides tens of thousands of children with school clothing, shoes and other essential items. For the first time SSR has received government funding so that it can help more families needing financial assistance, and ensure no one is left behind. As part of the Victorian government’s affordable school uniform program, every Year 7 government school student who is a recipient of the Camps, Sports and Excursion Fund (CSEF) automatically qualifies for a uniform pack voucher.

Eligibility requirements for CSEF can be found at www.education.vic.gov.au/csef

What’s included in the uniform pack?
The uniform pack includes all basic uniform items needed to start secondary school (approx. value $225):

<table>
<thead>
<tr>
<th>For boys:</th>
<th>For girls:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jumper or jacket (not blazer)</td>

<td>PE shirt x 1 PE shorts x 1</td>
</tr>
<tr>
<td>Shorts or trousers x 1</td>
<td>Winter OR summer package x 1</td>
</tr>
<tr>
<td>Shirt x (long or short sleeve)</td>
<td>(as below)</td>
</tr>
</tbody>
</table>

Summer package: A dress x 1 OR shorts x 1 and shirt x 1 (long or short sleeve)
Winter package: A skirt OR trousers x 1 and a shirt x 1 (long or short sleeve)

How can parents apply for the packs?
Secondary schools are required to make applications on behalf of parents at www.education.vic.gov.au/schools. Parents must apply for CSEF by the closing date listed at www.education.vic.gov.au/csef

Once approved, the pack voucher will be dispatched electronically to the school, uniform shop or uniform supplier. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).

Can parents who are ineligible for the Camps, Sports and Excursion Fund or, who have children in other year levels receive assistance from SSR?
Yes. Parents are encouraged to talk to their school principal, assistant principal or student welfare coordinator about their situation and they will assess their eligibility. SSR only responds to requests from schools (not from parents directly). Applications for parents requiring financial assistance for uniforms, textbooks or shoes are encouraged via the regular SSR services - www.ssr.net.au/schools

Terms and conditions
- Only CSEF recipients are eligible for the uniform packs.
- Each student is eligible for a single uniform pack.
- A voucher is dispatched electronically to the school, uniform shop or uniform supplier on approval. The school will provide the voucher to the parent/student to present at the uniform retailer (and not at SSR).
- The order is valid for 75 days from date of issue.
- Once expired, a new application must be lodged.
- Expired vouchers cannot be redeemed.
- Each voucher specifies the individual items funded by SSR.
- No change to the items can be made unless through the school.
- Changes made in store will not be honoured by SSR.
- The maximum voucher value is $225 and any short fall will not be covered by SSR.

Attendance Officer— Zoe Plumb

Dear Parents and Carers

In order to provide a single point of call for student attendance, from 2015, the College will change from having Campus attendance officers to a College attendance officer. The College is pleased to welcome Zoe Plumb to the role.

This will allow parents and carers to make one phone call regardless of which campus their student/s attend and provide for a better overall view of attendance.

The College attendance line is 5132 3711 and can be called at any time to leave a message. Please leave a message with your name, relationship to the student, the student’s name and reason for their absence. We ask that all parents and carers ring before 9:00 am to notify if their student will be away so their absence can be passed on to their teachers.

“In all analyses, average academic achievement on NAPLAN tests declined with any absence from school and continued to decline as absence rates increased. The nature of the relationship between absence from school and achievement, across all sub-groups of students strongly suggests that every day of attendance in school contributes towards a child’s learning, and that academic outcomes are enhanced by maximising attendance in school. There is no “safe” threshold.”
