

BUSHFIRE POLICY

Policy Statement

Schools, kindergartens and child care facilities at the highest risk of fire danger are placed on the Department's Bushfire At-Risk Register. Inclusion on this register is a trigger for the school, kindergarten or child care facility to pre-emptively close on days declared Code Red in their Bureau of Meteorology district.

The College Will:

- Stay current with all DEECD policies and guidelines involving Bushfire awareness and preparation.

Implementation:

Dear Sir/madam,

I have confirmed that due to the location of the school, the facility is not on the Bushfire At-Risk Register and therefore is not required to submit any bushfire preparedness details to the VRQA.

Kind regards,
