

EXCURSIONS, CAMPS AND INCURSIONS POLICY

1. Policy Statement

Excursions and camps are seen as an integral part of the Kurnai College's curriculum as they enable students to explore, extend and enrich their learning and their social skills development, in a non-school setting. Excursions and camps complement, and are an important aspect of the educational programs offered at the school. An excursion or camp is defined as any activity beyond the school grounds.

2. Definition

An excursion is an activity organised by Kurnai College (not including work experience) during which students leave the school grounds to engage in educational activities (including camps and sport). Adventure activities are included in this definition (regardless of whether they occur outside the school grounds or not).

3. Policy Objectives

- To reinforce, complement and extend the learning opportunities beyond the classroom
- To develop an understanding that learning is not limited to school, and that valuable and powerful learning takes place in the real world.
- To provide a safe, secure learning experience for students in a venue external to the school.
- To further develop social skills such as cooperation, tolerance, communication, individual and group interaction.
- To further develop problem solving and life survival skills.
- To extend understanding of their physical and cultural environment.

4. Excursion Considerations

The principal of Kurnai College is responsible for the conduct of all excursions and must ensure:

- an online notification of school activity form is completed prior to the activity
- a planning and approvals process is undertaken, in accordance with Departmental policy and requirements, which takes into account the following considerations:
 - venue selection
 - safety, emergency and risk management
 - informed consent from parents
 - medical information
 - appropriate staffing and supervision
 - student preparation and behaviour
 - requirements for any adventure activities.

Note: The regional director will be informed if an excursion leaves the school unoccupied.

5. Approvals

All excursions and camps must be approved by the Principal or their nominee(s)

Staff wishing to organise an excursion or camp must complete an excursion/camp proposal form and lodge this for approval. All excursions and camps must be approved prior to running. Where an excursion or camp proposal has not been submitted, that excursion or camp will not run, unless special circumstances are pending. This decision will be made by the Principal or Assistant Principal.

The Principal or their nominee(s) will consider the educational outcome of the excursion or camp as well as the impact on the school for the proposed date.

The Principal or their nominee(s) will ensure that all excursions, camps, transport arrangements, emergency procedures and staffing comply with DEECD guidelines. Refer to: [School Policy & Advisory Guide - Excursion Policy](#)

Once the excursion or camp has been approved all relevant documentation must be completed. This is available from the Principal or their nominee(s). The Assistant Principal will complete the 'Notification of School Activity' at: www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp (link requires log in) six weeks prior to the excursion or camp departure date, and ensure relevant details are entered on the daily planner.

School Council is responsible for the approval of:

- Overnight excursions
- Camps
- Interstate visits
- International visits
- Excursions requiring sea or air travel, weekends or vacations
- Adventure activities

The Principal or their nominee is responsible for the approval of all single-day excursions other than those that must be approved by school council as mentioned above.

6. Expectations

The Department Education and Training (DET) requirements and guidelines relating to preparation and safety will be observed by Kurnai College in the conduct of all excursions.

The principal or their nominee will ensure that all records are maintained regarding the excursion or camp.

The principal or their nominee will ensure that adequate pre-excursion planning and preparation, including the preparation of students, takes place.

Satisfactory arrangements will be made to provide continuous instruction for the students remaining at the school during the absence of staff accompanying an excursion.

The DEECD will not be involved in any expense associated with the conduct of excursions. The school may choose to subsidise some excursions or some student's expenses.

Prior to conducting a camp or excursion, the approval of the Principal and/or the School Council will be obtained. Council must approve overnight or adventure activities. The Principal must approve these and other activities.

Students and their parents/carers need to be made aware that acceptable standards of behaviour will be expected during a camp or an excursion.

The emergency management process of the school will extend to and incorporate all camps and excursions.

All DEECD requirements and guidelines that apply to the conduct of excursions are also applicable to all overseas and interstate (domestic) camps/excursions.

7. Guidelines for Implementation

Prior to conducting a camp or excursion, the DEECD's requirements and guidelines relating to camps

or excursions, will be rigorously observed by Kurnai College. This includes:

- [Adventure Activities](#) that involves greater than normal risk
- [Student Preparation and Behaviour](#) ensuring the disciplinary measures for students on excursions are appropriate and consistent with the Student Engagement and Inclusion Guidance and the school's student engagement policy
- [Planning and Approvals](#) to ensure excursions are appropriately planned and approved in accordance with Departmental policy and requirements, and all excursions requiring school council approval meet the requirements of the Safety Guidelines for Education Outdoors
- [Safety, Emergency & Risk Management](#), including Bushfires
- [Venue Selection](#) ensuring that excursion venues are assessed and selected on the basis of their safety and suitability for the activities proposed
- [Parent or Carer Consent](#) to ensure that schools obtain informed consent from parents or carers, for their child to participate in an excursion.
- [Staffing and Supervision](#) to ensure excursions are appropriately staffed
- [Student Medical Information](#) to ensure that staff have up-to-date medical information about students participating in excursions.

The principal or their nominee will ensure that full records are submitted to School Council regarding the camp/excursion well in advance of the starting date of the event and that no camp/excursion occurs unless all the formal record keeping has been completed and approved.

Prior to conducting any camp, the formal approval of the School Council and principal will be obtained. In approving a camp or excursion, consideration will include:

- the contribution of the activity to the school curriculum
- the adequacy of the planning, preparation and organisation in relation to the school policy and the guidelines and advice provided by DEECD
- information provided by community groups and organisations that specialise in the activity proposed
- appropriateness of the venue
- the provisions made for the safety and welfare of students and staff
- the experience and competence of staff relevant to the activities being undertaken
- the adequacy of the student supervision
- the high risk nature of some activities
- emergency procedures and safety measures
- staff-student ratios
- student experience

Students not attending a camp or excursion will be placed in another class and have an appropriate learning program provided by the class teacher.

Prior to the camp or excursion parent/carers are to be made aware that DEECD does not provide student accident cover and that they need to make their own arrangements for cover.

7.1 Duty of Care

The designated teacher in charge has ultimate responsibility for all students in their care. At law, the Duty of care cannot be delegated, this includes supervision of students who are in the care of external education providers, ancillary staff, parents or trainee teachers.

External education providers and para-professionals must have appropriate certification (e.g. Working with Children's Registration) and ensure that supervision guidelines are followed. Furthermore, that an excursion and/or camp with an external provider does not absolve supervision duties of the teacher, including First Aid duties. The designated leader must be present at all times and remain the person designated with duty of care responsibilities.

7.2 First Aid

At least one member of staff responsible for each group of students will hold an appropriate first aid qualification. For adventure activities, the minimum acceptable level of first aid training is the senior first aid certificate (often referred to as a level 2 first aid qualification) or its competency based equivalent HLTAID003 Apply First Aid.

For remote, isolated or mobile activities, a higher level of first aid training is required appropriate to the setting, such as Wilderness First Aid or its competency based equivalent THHGHS11A Manage casualty in a remote and/or isolated area.

A portable first aid kit must be carried with the group that is appropriate to the activity, the location, the group and the applicable level of first aid training.

Staff members must consider carefully the nature and location of the excursion as well as medical history of the students to determine the level of first aid training required by staff.

7.3 Diversity & Equity

Students should not be denied attendance to any excursion or camp because of disability or medical condition. Kurnai College will take reasonable steps to support the inclusion of students with moderate to severe disabilities in its planning and delivery. Parents may be invited to assist in the delivery of excursions.

Principals will ensure that appropriate emergency and risk management planning is undertaken for students with disabilities attending excursions and camps. Students who may have difficulty communicating in an emergency because of age or disability should wear identity tags on excursions.

7.4 Aboriginal and Torres Strait Islander Considerations

School excursions and camps will be sensitive to sites and venues of cultural importance to Koorie communities. Kurnai College will consult with Local Aboriginal Education Consultative Groups (LAECG), the Koorie Heritage Trust and other indigenous groups to ensure the required protocols are met.

Kurnai College endorses that the teaching aspects of Koorie culture is done in consultation of Aboriginal people and Torres Strait Islander people..

At all excursions and camps, an Acknowledgement of Country will be conducted by the principal, teacher in charge or other senior staff member to show respect by acknowledging that the event is taking place on traditional custodial land, thanks the custodians for allowing the event to take place, and sets a conciliatory tone for the off-site educational activity.

Special care and diligence will be exercised when photographing and filming Aboriginal and Torres Strait Islander individuals and communities. Premised on mutual respect, trust and the principle of free, prior and informed consent, the following will be discussed with the appropriate custodian/s prior to taking any footage:

- a clear explanation of the film or photo process
- proper information about the project, including the message, the medium and the audience
- all proposed and foreseeable uses of the material, including secondary uses
- the impacts of the material being disseminated
- timeframes
- any relevant intellectual property matters
- that the person can choose not to be photographed or filmed.

Teachers and staff must not use any materials for purposes or uses other than that which individuals have provided their free, prior and informed consent. Images should also be positive and empowered images to assist in the promotion of the rights of Aboriginal and Torres Strait Islander peoples. Refer to Appendix F for Consent Form.

7.5 Overseas Travel Requirements

The [Smartraveller](#) website is the Australian Government, Department of Foreign Affairs and Trade (DFAT), travel advisory and consular assistance service. This site also provides useful travel information and tips.

Kurnai College will ensure that they:

- comply with any DFAT travel advice current for the proposed location;
- subscribe to receive automatic travel advice updates from the Smartraveller website both prior to the excursion and when overseas;
- review their risk assessment if there are any changes to the DFAT travel advice.

The cost of medical and hospital treatment is high in some countries; therefore Kurnai College recommends that all students and staff take out travel and medical insurance for the entire overseas trip.

7.6 Emergency Notifications & Communications

In the event of an emergency, to ensure information is provided to emergency services, Kurnai College will notify the:

- DEECD of any approved school camp or excursion at least three weeks beforehand using the [Student Activity Locator online form](#).
- [Department of Foreign Affairs and Trade](#) (DFAT) of overseas travel plans so that DFAT can help staff and students remain safe and secure while overseas.

Parents or carers will be advised of the telephone numbers (both during and outside school hours) for the designated school contact person in the event of an emergency.

During the excursion, if parents have reason to believe an emergency may have occurred (such as a media report) they should be informed that in the first instance they should call the contact person and not personnel on the excursion as this will keep the telephone lines free at the excursion site.

Arrangements for communicating with parents in the event of an emergency, cancellation or recall of the excursion will be made.

Consent forms will remain at the school with the designated school contact person and copies of each form will be taken on the excursion by the teacher in charge.

In the event of an emergency, accident or injury:

- staff on the excursion will:
 - take emergency action as documented in the excursion and camp's emergency and risk management plan
 - immediately notify the school principal
- the principal will make arrangements for the Department's Security Services Unit to be telephoned on 9589 6266.

7.7 Fire Danger or Ban

The Principal may need to cancel excursions and camps at short notice on days of extreme fire danger or total fire ban. On such days, the Security Services Unit liaises with fire authorities to obtain up to date information for communication to schools that may be affected by wildfire, including schools who may have students attending camps or other venues in areas affected by wildfire. If an excursion is not cancelled, special fire safety precautions will be required.

When required, Kurnai College will follow the Department's emergency management (bushfires) procedures for off-site activities for all excursions.

7.8 Risk Management

An assessment of excursion risks will be undertaken – refer to Appendices D and E.

For excursions requiring school council approval, an excursion risk assessment plan will be provided which includes consideration of risks across the entire excursion (including transportation, activities undertaken and excursion venues). Venue managers and activity providers should be consulted in the preparation of the school's risk management plan and where appropriate, the risk management plans of venues or activity providers should be used to inform the school risk assessment process.

7.9 Arrangements for Payment

All efforts will be made not to exclude students simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend an excursion, are invited to discuss alternative arrangements with the Principal.

All families will be given sufficient time to make payments for excursions. Parents will be provided with permission forms and excursion information clearly stating payment finalisation dates. Children whose payment have not been finalised at least 24 hours prior to the departure date will not be allowed to attend unless alternative payment arrangements have been organised with the Principal.

7.10 Teacher Responsibilities

Teachers participating in an excursion and/or camps will:

- understand the purpose of the program and its connection to student learning
- be aware of their supervisory responsibilities throughout the program, see: [Excursion support - supervision](#)
- know who is the nominated member of staff who will provide first aid if required, see: [Excursion support - first aid](#)
- know the exact location of students they are responsible for at all times including during travel.

In addition the nominated teacher-in-charge will:

- know the exact location of students at all times including during travel
- maintain a record of telephone contacts for the supervising staff accompanying the excursion
- know who the school contact person is and their phone number
- have a copy of the names of family contacts for all students and staff on the excursion
- have copies of the parental approval and medical advice forms for those students on the excursion
- maintain a copy of the completed approval proforma (including all attachments) submitted to the school council, see: [Approval pro forma](#) (also supplied in Appendix B)
- have submitted a notification of school activity using the Student Activity Locator online form three weeks prior to the excursion, see: [Student Activity Locator online form](#) (EduMail password required)

If a teacher does not have detailed knowledge of and outdoor or adventure activities, it is recommended they seek further information and advice from:

- Activity peak bodies, see: [Resources](#)
- Other teachers with recent experience instructing the activity who can offer an understanding of both the technical requirements and the educational context
- [School Policy and Advisory Guide](#)

7.11 Student Behaviour

Disciplinary measures apply to students on camps and excursions consistent with the School's Student Engagement and Inclusion policy. In extreme cases the camp or excursion staff, following consultation with, and the approval of, the principal or their nominee, may determine that a student should return home during a camp or excursion.

In such circumstances, the parent/carer will be advised:

- of the circumstance associated with the decision to send the student home
- of the time when the parents/carers may collect their child from the camp or excursion
- of the anticipated time that the student will arrive home
- of any costs associated with the student's return which will be the responsibility of the parents/carers

APPENDIX C

Explanatory Notes to Approval Proforma

Dates

Consider how the time of year may impact on the wider school program or the effect of seasonal weather conditions.

Educational purpose and program outline

Whatever you hope the students will learn from the program is its educational purpose. The program overview should give school council a basic understanding of how the program aims to achieve the educational purpose.

For example: A three-day residential camp including bushwalking and orienteering to encourage an understanding of the natural environment; develop team working ability; and, introduce map reading and navigational skills in an experiential way.

The supervision strategy should include the nature and level of supervision provided throughout the excursion or activity. You must consider all programmed and non-programmed periods.

Each different location in must be detailed, including the dates at each location. This will have an impact on transport requirements and the emergency response needs of the program.

Contact land managers to determine if permit or access requirements apply for activities that are conducted on public land or in state/national parks.

Joint excursions with other schools must be approved by each school council. Each school must submit an online notification to the Emergency Management and Security Branch.

Overnight accommodation

This includes all forms of overnight accommodation.

Residential camping is at sites with permanent facilities like dormitories, kitchen, showers, toilets, phones and recreation options.

Residential campsites operated or used by Victorian government schools must be accredited with a Department of Education and Early Childhood Development recognised accreditation provider. Refer to the School Policy and Advisory Guide, [Venue Selection](#) for current accreditation providers.

When using venues that do not require accreditation such as caravan parks, motels/hotels or ski lodges, schools may wish to refer to the accreditation criteria of a recognised accreditation provider when developing their risk management plan.

Provide details of all accommodation being used with your submission to school council.

Transport

Internal transport is provided by school-owned or private, staff-owned vehicles. External transport is transport provided by contractors, parents or other external providers.

The parent consent form should include a statement advising parents if a private vehicle is used as part of the emergency management plan for a camp or excursion.

If a teacher or staff member will be driving students, the program should allow them adequate rest time prior to driving, consistent with the advice on the [transport](#) page of the Safety Guidelines.

Give careful consideration to securing equipment during transportation, including equipment on trailers, roof racks and inside vehicles.

Supervising staff

A [Working with Children Check](#) is required for staff members who will supervise students and who are not registered teachers. This does not apply to parent volunteers whose child is participating in the activity/excursion.

DEECD Consequences Criteria

Consequence	Health and Safety Consequence Description
Insignificant	First aid only – no measurable impact or lost time
Minor	Medically treated injury Peer support for stress event
Moderate	Hospital treatment (outpatient), less than 3 days lost time Stress event requiring professional support
Major	Long term injury or illness (hospital admission) Possible permanent disability Stress event requiring clinical support
Severe	Fatality and/or permanent disability Stress event requiring extensive clinical support for multiple individuals

DEECD Likelihood Criteria

Likelihood	Description	Indicative Frequency
Almost Certain (>95%)	Expected to occur	Prone to occur regularly Is anticipated for each repetition of the activity or event
Likely (66 - 95%)	Probably will occur ("no surprise")	May be anticipated multiple times over a period of time May occur once every few repetitions of the activity or event
Possible (26 – 65%)	May occur at some stage	May occur several times across DEECD or a region over a period of time
Unlikely (5 – 25%)	Would be surprising	May occur somewhere within DEECD over an extended period of time
Rare (<5%)	May never occur	May occur somewhere, sometime ("once in a life time / once in a hundred years")

Note:

1. The indicative frequency may be relevant when assessing risk related to repeated activities or when objectives are to be delivered over discrete period of time but should not be the sole basis for assessment.
2. Likelihood may also involve consideration of exposure (e.g. if you live in a glass house you may be more prone to broken windows).

DEECD Risk Rating Matrix

		Consequence				
		Insignificant	Minor	Moderate	Major	Severe
Likelihood	Almost Certain	Medium	High	Extreme	Extreme	Extreme
	Likely	Medium	Medium	High	Extreme	Extreme
	Possible	Low	Medium	Medium	High	Extreme
	Unlikely	Low	Low	Medium	Medium	High
	Rare	Low	Low	Low	Medium	Medium

DEECD Acceptability Chart

Extreme = Intolerable (without Executive Oversight)	Immediately consider whether this activity should cease. Any decision to continue exposure to this level of risk would be made at Executive Officer level, would be subject to comprehensive analysis to generate a detailed risk treatment plan and be the subject of on-going oversight and high level review.
High = Tolerable (with continual Management review)	Consider whether this activity should continue. This decision would normally be made at senior levels, would be based on detailed analysis to generate a risk treatment plan and be subject to on-going review to ensure treatments remain effective and the benefits balance the risk.
Medium = Tolerable (with frequent risk owner review)	Exposure to the risk may continue provided it has been appropriately assessed, has been mitigated to <i>As Low As Reasonably Practical</i> (ALARP) and is subject to frequent review to ensure the risk analysis and treatment remain valid. Permanent/long term actions to reduce the risk should be considered.
Low = Acceptable (with periodic review)	Exposure to this risk is acceptable but is subject to periodic review to ensure the risk does not increase and evolving treatment(s) or accepted standards do not vary.
