

MEDIEVAL - Reflection Sheet

Year 8 teachers will assess your work. However before this happens, please reflect upon your end product and make comments about your progress below – colour your assessment in each row.

| | NOT SHOWN  | LOW   | MEDIUM    | HIGH     |
|--|--|--|---|---|
| Effort & Application Did I try hard in all areas? Did I cut corners with some tasks? | Less than 50% of the work is not my personal best I could have tried harder in many areas. | 50-60% of the work I produced is my best work. I could have tried harder in some areas. | 70-80% of the work produced is my personal best an am happy with it. | All the work I produced I have tried my best and I am very proud of. |
| Research & assistance Did I use a variety of reliable sources? Did I need help? | I needed a lot of help to find resources and take notes, so I could complete the tasks | I struggled to find resources and didn't take many notes. I found completing the tasks hard without help. | I used a good range of resources and found that I could do most tasks with just some help. | I found and used a large range of resources and was able to complete the tasks with minimal help. |
| Initiative & Organisation Did I pace myself? Did I finish my project on time? Did I bring everything I needed to each class? | I found it difficult to stay on task for most of the time. I rarely brought the equipment needed. I was disorganised which led to many tasks not being done. | I tried to work independently but found myself talking too much and this led to some tasks not being finished. | I worked independently for most of the time, however some time was wasted. | I worked independently throughout the project and always brought the required resources to class. |
| Presentation Is my work neat? Did I take care to make sure my project looks good? Am I proud of the end result? | Most of my work was messy and unfinished. I know I can try harder. | Some tasks were finished to my expectations and well-presented but many were not fully completed. | Most of my tasks were well presented and I am happy with the outcomes of most. | I managed to present all of my information in the relevant manner. I am proud of all my work. |
| What do I want my teacher to notice about my work? | | | | |
| What I liked about this project. | | | | |
| What I did NOT like about this project. | | | | |
