Message from our Campus Principal

Learning Behaviour Updates

Our Learning Behaviour Updates for February went live to parents and students this week. I hope you've had an opportunity to review them.

It was really pleasing to be able to send out so many letters congratulating students on the fantastic start they've made to the year. It was very pleasing to look at the improvement in learning behaviours from so many of our students. This reflects what we had been seeing in our classrooms anecdotally. It also reflects what you have been hearing about in your SMS alerts for our positive acknowledgements.

If you need assistance with accessing the reports on Compass, please don't hesitate to ask for help. Looking at the reports with your child and setting goals will assist to achieve the best possible outcomes for them. Learning Behaviour Updates are completed every five weeks except at the end of semester, with the next one being released just prior to Parent Teacher Conversations at the end of term.

I was also pleased to print and sign certificates for an enormous number of students for positive attendance. I look forward to this becoming a trend!

Athletics Carnival

Thanks to parents for your organisation in getting permissions in on time for College Athletics. It was great to see record numbers of students going and participating. This is our last College-wide event for the year, unfortunately, with Big Day Out unable to go ahead this year. Zone Swimming starts soon and we are pleased to have a number of students qualifying for that.

Proactive Police

We have had a number of visits from Tiago and Kate from the Proactive Police Unit of late. They have been walking around the school, talking with students and forming positive relationships. You may, at times, see them out the front of the school on the crossing talking to students and families as well. We welcome their participation in our school community and thank them for being around to engage with the students.

The students have certainly taken to having them around. If you have any questions about the role of the Proactive Unit with the school, please contact me and talk with me about it.

Staff Changes

This week we welcome Paul Zepackic to our team at Morwell Campus. Paul has come to English and Humanities and has already settled in well here. If Paul is teaching your child, please feel free to contact him with any concerns you have using our Compass "Email Teacher" feature.

Year 7 & 8 News

Athletics Day

I would like to congratulate all the Year 7 and 8 students who attended the College-wide Athletics Carnival; to see such great participation in all events from our students shows great engagement in the Kurnai College Learning Community. The feedback from the students was that everyone had a great day with some of our students who struggle in the classroom really showing off their best.

Daniel Murphy Year 7/8 Team Leader daniel.murphy3@education.vic.gov.au

Kurnai Positive Acknowledgements

With the beginning of a new era with our positive acknowledgements at Kurnai Morwell, I would like to commend the Year 7 and 8 students who are leading the way. Both 7A and 8A are leading the way and setting the positive example for the rest of the campus. The student, parent and community support and feedback for this new initiative have been fantastic.

At the time of the newsletter we had over 1800 KPA (Kurnai Positive Acknowledgements) at the campus in less than 10 days. This is a fantastic effort from our students and shows the positivite and proactive learning being demonstrated.

Total of each form groups KPA over the first 10 days.

Attendance

With a great start to our schooling year, it is important to continue tracking our goals of attendance. We know that attendance is one of the key factors to success at school. At Kurnai College we would like all students to aim at 95+% attendance.

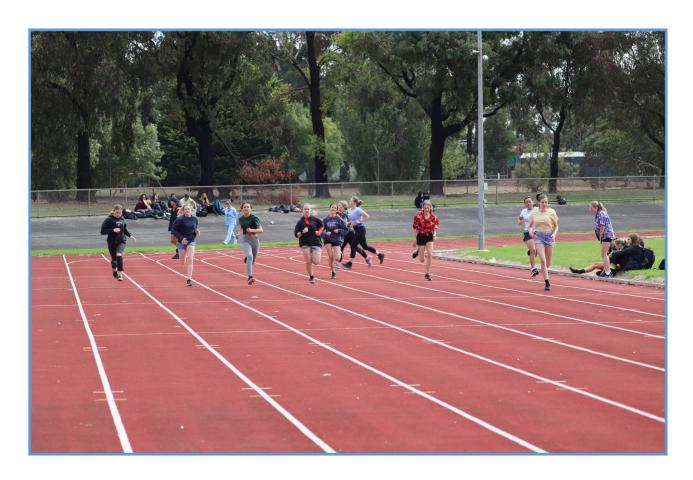

This is so they can get the most out of their time at school. If you are having trouble with getting your son or daughter to school, please do not hesitate to contact me for support.

Remember: 1 day a fortnight missed = 20 days a year = 4 weeks a year = Over 1.5 years of missed learning (P-12)

- 1 day a week missed = 40 days a year = 8 weeks a year = Over 2.5 years of missed learning (P-12)
- 2 days a week missed = 80 days a year = 16 weeks a year = Over 5 years of missed learning (P-12)
- 3 days a week = 120 days a year = 24 weeks a year = Nearly 8 years of missed learning (P-12)

Year 9 News

Year 9 News

We have enjoyed a busy couple of weeks and it is fascinating to see how the Year 9 students continue to grow in confidence as new learners. Last week just flew by and most classes are well into preparing for our Common Assessment Tasks (CATs) in weeks 7 and 8 (next week and the week after).

This past week has seen our students achieve great results with the Learning Behaviour Updates. Two Year 9 students achieved the awesome result of a 4.0 meaning that they always placed themselves in a position to maximise their learning. Awards will be presented to individual students next week but letters have been sent out to families already.

This week we had students participating in the Athletics sports day. It was a great day for students and staff to mix together and enjoy time outside of the normal classroom environment. Thank you to all of our families for encouraging and supporting our Year 9 students to participate. We couldn't have a successful day without you.

A reminder that School photos have been rescheduled to take place on Tuesday the 16th of March and that students should remember that this is a day that memories are made.

Planning for the Year 9 Camp in Term 3 this year continues and we have created an outline of the program and commenced making tentative bookings. The purpose of the Melbourne camp is to give students a real experience of cultural, educational and leisure activities in the Melbourne CBD. It is an important part of developing a wider understanding of the world around us. We remain extremely keen to get as many students involved as possible. The camp will cost approximately \$400 per student

and I encourage all families to begin planning and putting money aside to cover this cost. More information will be made available closer to the date.

The students will be arranging a placement or two during their team-time classes this term. Please contact Sheryl Tangi if you have any issues. This year our Year 10 students should be going to Tasmania in the second last week of Term 3 but due to Covid-19 we will not be able to travel interstate so we are investigating a trip somewhere in Victoria instead. Attendance

This year we will be trying to increase student attendance rates especially at Year 10. We would really appreciate a phone call to the 24-Hour attendance line if your child is absent from school. This helps our attendance officer track students and improve our % attendance for each student.

Congratulations to the following Year 10 students for achieving 95% or above attendance since the start of the year;

Ryan Hebbard, Tash Tumney, Joker Mayarsa, Sean Glisson, Samuel Darragh, Blake Warren, Jada Fischer, Bohdan Mollard, Lachlan Roberts, Bella Ohlson, Esther Babiera, Jacob Dijamco, Roly Durano, James Stiles, Kayla Provan, Liam Rad-Heyden, Ainslee Tran, Eamon Dolan, Zackariah Jacob and Latisha Anderson.

PBS

This year students will receive a KPA report for working well in class. This will automatically result in an SMS message being sent to a parent or guardian of the student stating which school pillar they were exhibiting in the classroom. Students are also receiving postcards for displaying consistent behaviours for the four school pillars of Excellence, Relationships, Work Ethic and Engagement. This year we will also be rewarding students with great attendance to school.
