DATE	EVENT
Monday 23 <sup>rd</sup> —Friday 27 <sup>th</sup> July	Mt Hotham Ski Trip
Tuesday 24 <sup>th</sup> July	2013 Information Night @ Monash Auditorium @ 7.00pm
Tuesday 24 <sup>th</sup> July	Senior Boys Football at Traralgon
Wednesday 1 <sup>st</sup> August	Drama & Theatre Studies information session with Theatre Studies examiners at Kernot Hall
Thursday 16 <sup>th</sup> August	Debutante Ball 1
Friday 17 <sup>th</sup> August	Debutante Ball 2

*“Try and fail, but don’t fail to try.” Stephen Kraggwa*

**2013 INFORMATION NIGHT – Tuesday 24<sup>th</sup> July 7pm**

The GEP Campus course information night will be held on Tuesday 24<sup>th</sup> July in the Monash Auditorium at Monash University starting at 7pm. The night will consist of a brief overview of the College and GEP Campus, and then an explanation of the course structures available. After the presentation there will be an opportunity to visit an array of information booths and for prospective students and their parents to speak to staff regarding the various subjects.

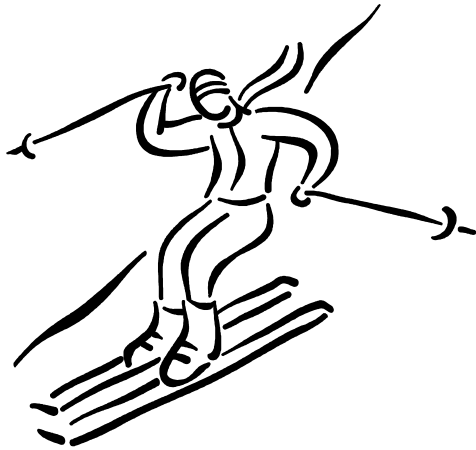

The night is primarily aimed at providing information to students planning on studying at the GEP Campus for the first time in 2013 however any current students and families are more than welcome to attend.

**UNCOLLECTED SEMESTER 1 REPORTS**

There are a large number of uncollected Semester 1 reports in the General Office. If your student has not collected their report, please send them to the office to collect it.

## HOTHAM CAMP

The time when we'll head up the mountains for 5 days of skiing and snowboarding is quickly approaching. **There are a number of permission forms and a small amount of money still outstanding**, please make sure that you have handed in permission form and size form to the office.

## MONASH LEADERSHIP EVENT FOR HIGH ACHIEVERS

During the school holidays, three other students and I were given the opportunity to attend the Monash Leadership Event for High Achievers. Throughout the day we listened to several different guest speakers including Monash's Dean of Law, current students, Monash alumni, and others talking about leadership and the qualities that define a good leader.

It was great listening to people currently in positions of leadership, asking them how they got there, and being able to contribute our own ideas into the discussion – bringing to the table not only ideas from the experienced, but also ideas from the 100+ high-achieving students attending the event.

At the end of the day, we each attended an additional educational lecture about a Faculty of our choice: I attended the Law lecture; Mark Stolk, our year 12 student leader, did the Science lecture; Suzie Moss went to the Journalism lecture; and Zara Firmin attended the Nursing/Medicine lecture.

We all enjoyed learning about leadership and the Monash faculties, and would like to thank Kurnai College for giving us the opportunity.

Bradleigh Holcombe - year 12 student

### UPCOMING EXCURSIONS / CAMPS

To ensure the smooth organization and running of camps and excursions we request that permission forms and payments be returned to the school by the due date on the permission form. This enables the purchase of train tickets, food and venue tickets etc in a timely manner.

Mt Hotham Ski Trip	Monday 23 <sup>rd</sup> July —Friday 27 <sup>th</sup> July	\$824	Final payment and permission forms due by Wednesday 13 <sup>th</sup> June  <b><u>NOW OVERDUE</u></b>
Senior Boys Football	Tuesday 24 <sup>th</sup> July	\$7	Permission forms and payment due by Monday 23 <sup>rd</sup> July
Drama & Theatre Studies information session with Theatre Studies examiners at Kernot Hall	Wednesday 1 <sup>st</sup> August	\$28	Permission form and payment due by Monday 30 <sup>th</sup> July

### KURNAI COLLEGE DEBUTANTES BALL

This weekend heralds the beginning of the dance practices for the ball. Practices will commence on Sunday, 22<sup>nd</sup> July and will follow the schedule below:

Sunday 22<sup>nd</sup> July 3 pm – 7 pm

Thursday 26<sup>th</sup> July 4 – 8 pm

Sunday 29<sup>th</sup> July 3 pm – 7 pm

Thursday 2<sup>nd</sup> August 4 – 8 pm

Sunday 5<sup>th</sup> August 3 pm – 7 pm

Thursday 9<sup>th</sup> August 4 – 8 pm

Sunday 12<sup>th</sup> August 3 pm – 7 pm

Please note that the **venue** for the practices has been **changed** to the **Kurnai Churchill Campus Gym**. Sessions will run in time slots according to the day of the ball the debutantes will be attending.

Debutantes who are attending the ball on **Thursday 16<sup>th</sup> August**, will have the following dance time slots:

**Sunday 3pm-5pm**

**Thursday 4pm-6pm**

Debutantes who are attending the ball on **Friday 17<sup>th</sup> August**, will have the following dance time slots:

**Sunday 5pm-7pm**

**Thursday 6pm-8pm**

Students are reminded that **non-marking shoes** must be worn in the gymnasium. The sooner the girls can wear their deb shoe or a similar shoe the better. Boys need to wear a shoe that slides on the floor easily.

## SP AUSNET - 2013 APPRENTICE & TRAINEE INTAKE

SP AusNet has announced their 2013 Apprentice & Trainee intake. They will not be advertising in the local papers this year, rather students will need to check out SEEK and the SP AusNet website.

The advertisements are attached, explaining that the application process will be through seek.com.au.

			Trainee Designer	1	Thomastown
Select Solutions	Tech Solutions	Central	Trainee Tester	2	Yarraville

### Technical Trainee – Communications Power Technician

#### Begin your career in energy as a Trainee at SP AusNet

- Sought after opportunities to launch your career in an ASX 100 listed organisation
- Salary paid while you achieve your qualification – all your tertiary fees paid
- Recruiting now for February 2013 intake

With more than 1,700 employees, SP AusNet manages a \$6.3 billion electricity and gas network that services more than one million customers in south east Australia. We are the key player in ensuring that the networks of towers, lines, stations, communication sites and gas assets across Victoria are reliable and safe.

Joining SP AusNet as a trainee means that you will be trained by a business that puts the safety of its workers and customers first. Our pride in our focus on safety is only matched by our determination to be amongst the most progressive and reliable energy companies in Australia.

We are currently recruiting for Technical Trainee – Communications Power Technician (also known as Communications Technician) to undertake the 4 year Traineeship program. On successful completion of your Traineeship you will:

- Gain qualifications in Advanced Diploma of Electronic Engineering
- Be responsible for the installation, repair and maintenance of communications systems associated with electricity supply networks. This includes analogue and digital multiplexing equipment as well as system control and data acquisition (SCADA) installations

A role is available in Hazelwood, with some training taking place in metropolitan Melbourne.

Do the following attributes describe you?

- successfully completed year 12 Maths and Physics
- responsible driver with a current, manual drivers licence (or the intention to obtain one once you are 18)
- mature approach to a career in a safety-conscious, team environment
- self-motivated, positive, adaptable approach to challenges
- honest, reliable, punctual team player
- enthusiastic about providing high quality levels of customer service
- a desire to build on your existing qualifications (passes in year 12 Maths and Physics as a minimum) by attending a TAFE in metropolitan Melbourne as you study for and obtain your Diploma or Advanced Diploma qualification

If this sounds like you and you're keen to benefit from a positive learning environment along with mentorship from some of the best in the business, then SP AusNet is the place in which you should begin your career in energy. We look forward to hearing from you.

To apply please click on the "Apply for this job" button, respond to the screening questionnaire and provide a covering letter stating the role and role location, resume and academic results. Any applications not received through SEEK will not be considered.

Applications close at 5pm 27 July 2012

Refer to our website for a full position description and more information on our Trainee Program: [www.sp-ausnet.com.au](http://www.sp-ausnet.com.au)

## Technical Trainee – Electrical Distribution (Designer)

### Begin your career in energy as a Trainee at SP AusNet

- Sought after opportunities to launch your career in an ASX 100 listed company
- Salary paid while you achieve your qualification - all your tertiary fees paid
- Recruiting now for February 2013 intake

With more than 1,700 employees, SP AusNet manages a \$6.3 billion electricity and gas network that services more than one million customers in south east Australia. We are the key player in ensuring that the networks of towers, lines, stations, communication sites and gas assets across Victoria are reliable and safe.

Joining SP AusNet as a trainee means that you will be trained by a business that puts the safety of its workers and customers first. Our pride in our focus on safety is only matched by our determination to be amongst the most progressive and reliable energy companies in Australia.

We are currently recruiting for Technical Trainee – Electrical Distribution (also known as Designer) to undertake the 4 year Traineeship program. On successful completion of your Traineeship:

- You will gain qualifications in Diploma of ESI Power Systems - Designer
- Your focus will be on the installation, repair and maintenance works of the electrical distribution networks; this includes meeting customer and regulatory obligations for new connections, management of customer interfaces and supply reliability issues.

Roles available in Traralgon, Lilydale and Thomastown

Do the following attributes describe you?

- Successfully completed year 12 Maths and Physics
- responsible driver with a current, manual drivers licence (or the intention to obtain one once you are 18)
- mature approach to a career in a safety-conscious, team environment
- self-motivated, positive, adaptable approach to challenges
