

VET POLICY
RTO number 4580

Policy Statement

VET in Schools (VETiS) is designed to expand opportunities and pathways for senior secondary students, and improve educational outcomes in line with the Victorian Government's objective to increase the number of young people completing Year 12 or equivalent. VETiS also addresses the skills and employment needs of industry in Victoria.

Introduced in 1994, VETiS comprises nationally recognised VET certificates undertaken by secondary school students as part of their Victorian Certificate of Education (VCE) or the Victorian Certificate of Applied Learning (VCAL). VETiS provides a vocationally oriented program of studies leading to a senior secondary certificate. VETiS programs are typically delivered through partnership between schools, industry and RTO (Registered Training Organisations), and often include opportunities for students to participate in structured workplace learning.

Students enrolled in VETiS may also combine study and employment through School Based Apprenticeships and Traineeships which allow students to do an apprenticeship or traineeship while they undertake their VCE or VCAL.

Our College will:

- Appoint a VET coordinator to oversee the students and program
- Ensure teachers of VET hold a current Cert IV Training and Assessment (TAE40116)
- Staff who are in a position to influence the management of the organisation will complete a fit and Proper Person Declaration
- Comply with DET standards, AQTF and VRQA requirements and standards
- Counsel students on the best pathway for them
- Support VET in the same way we support VCE and VCAL

1 - Continuous Improvement Policy

The purpose of this policy is to affirm the commitment of *Kurnai College* to the ongoing process of quality improvement.

Opportunities for continuous improvement can be identified from varied sources:

- Formal and ad hoc feedback from students and staff;
- Complaints and grievances from student, staff, parents and other stakeholders;
- By undertaking self-assessment against the AQTF Essential Standards;
- By undertaking Assessment Validation
- By attending external workshops

Relationship to AQTF and the Essential Standards

This policy and procedure is designed to put in place a continuous improvement approach to the implementation of VET programs delivered by Kurnai College and to capture data to assist Kurnai College to continuously improve its operations.

Sources of relevant data for continuous improvement

Feedback and evaluations

Students and staff are encouraged to provide feedback about the quality of Kurnai College's programs, facilities and resources.

- Students are encouraged to provide verbal and written feedback throughout their training through Evaluation Forms supplied at various stages during the course and via ad hoc feedback to their trainer or assessor
- Trainers and assessors are encouraged to provide feedback during scheduled meetings

The VET Coordinator will collect and analyse all feedback for consideration as part of the ongoing quality improvement process. Where possibilities for improvement are identified it will be recorded in the Continuous Improvement Register.

Complaints

When Kurnai College receives a complaint it is dealt with in accordance with the Kurnai College's Complaints and Grievance Policy. The National Training Complaints Hotline enables students to lodge complaints. The National Complaints Hotline is accessible on 13 38 73 or via email at skilling@education.gov.au. Any areas for improvement, which become apparent when handling a complaint, are documented in the Continuous Improvement Register.

Self-assessment

Kurnai College carries out self-assessment against all of the Essential Standards and Conditions of Registration to measure compliance and highlight opportunities for improvement. A review of all policies and procedures is also carried out at this time. Any improvement actions identified are documented in the Continuous Improvement Register.

Training & Assessment

Staff are required to continuously update their Industry knowledge and experience.

Staff are encouraged to attend external workshops to assist their personal development, including those run by DET, VCAA and appropriate external VET training.

Staff are required to have the current Training & Assessment qualifications. Any improvement actions identified are documented in the Continuous Improvement Register.

Assessment Validation & Moderation

Kurnai College has an Assessment Validation procedure for undertaking assessment validation and any improvements identified are documented and actioned.

Validation is a **quality review process**. It involves checking that assessment tools produce valid, reliable, sufficient, current and authentic evidence to enable reasonable judgements to be made as to whether the requirements of the relevant aspects of the Training Package or accredited course had been met. It includes **reviewing and making recommendations for future improvements** to the assessment tool, process and/or outcomes

Moderation is the process of bringing assessment judgements and standards into alignment. It is a process that ensures the **same standards are applied to all assessment results** within the same Unit(s) of Competency. Improvements are added into the Continuous Improvement Register.

Industry participation

Kurnai College invites various industries to improve the training and assessment process. Industry includes Australian Council for Health, Physical Education and **Recreation (ACHPER)** and Victorian Information Technology Teachers Association (VITTA).

Kurnai College has a close working relationship with the Baw Baw Local Learning and Employment Network (LLEN) and shares facilities with Federation University, Apprenticeships Group Australia to provide quality education in the vocational sector.

Record Keeping

Continuous Improvement Files are maintained and include

- A copy of the Continuous Improvement Register
- Agendas and minutes of Committee meetings
- Version control measures

Records of all continuous improvement activity shall be maintained for a period of at least two years after the continuous improvement action has been completed to allow for the purposes of self-assessment and for review by external auditors.

Unique Student Identifier (USI)

When a student undertakes nationally recognised training delivered by a registered training organisation they are required to have a Unique Student Identifier (USI).

Once the student creates their USI they will need to provide this to Kurnai College so their training outcomes can be linked. A USI account will contain all the student's nationally recognised training records and results from 1 January 2015 onwards.

2 - Access and Equity Policy

Kurnai College is committed to ensuring that all prospective clients are able to participate and have the opportunity to build on their potential, make choices and receive responsive and appropriate products and services. Whilst the destination for all learners may be the same (i.e. demonstrating competence to the standard required), the journey may be different. Kurnai College aims to provide equal opportunities and promote inclusive practices and processes for all their clients.

Individual Student Pathway Policy
Staffing Policy

Kurnai College will implement this Policy in accordance with the following general principles:

- the student recruitment and admission process is bias-free and non-discriminatory
- curriculum is inclusive of a range of participant needs
- the assessment process is fair, valid, reliable and consistent
- support is provided to those with special needs
- avoiding a `one size fits all` solution to training and assessment and being flexible and responsive
- grievances are addressed in a fair and equitable manner
- adaptive technology is developed and used where possible.
- Identify and respond to individual learning needs
- providing a supportive learning environment
- adjusting assessments to meet individual circumstances
- developing and using inclusive training materials.
- using inclusive environments and materials that acknowledge and value the differences between people and cultures; they include rather than exclude.

Student Support Services

Academic Support

Kurnai College, as an RTO, have the students complete an LLN test at the commencement of the VET course. This identifies any students that may require additional support.

Students who are experiencing difficulties with any aspect of their course are encouraged to contact their teacher/trainer in the first instance or a Kurnai College staff member. RTO teachers/trainers continually track the students' progress throughout the qualification online.

Welfare Support

Students sometimes require extra support to help them cope with their training course. Sometimes there can be personal issues that impact a student successfully completing the course. Our advocates and welfare team are accessible to students if required. Students who are experiencing issues that are impacting their studies are encouraged to contact their teacher/trainer or any Kurnai College staff member.

3 - Complaints and Grievance Policy – see School Policy file

4 - Quality Procedure Standards Policy

It is Kurnai College's objective to provide opportunities for students to undertake VET in their chosen interest / career area. Kurnai College strives to manage its VET programs effectively and adhere to AQTF/ VRQA requirements.

1. Governance

The Principal of Kurnai College ensures that the RTO complies with the AQTF Essential *Conditions and Standards for Continuing Registration* and any national guidelines that the Australian Industry and Skills Committee AISC (is an industry-led body that provides advice on the implementation of national VET policies, the committee has the authority to approve industry-defined training qualifications) decides upon across all of its operations within its scope of registration as listed on www.training.gov.

2. Interactions with the registering body

The Principal and Chief Executive Officer of RTO 4580 will ensure that the RTO cooperates with its registering body, VRQA (and DET), in the conduct of audits and the monitoring of its operations, the provision of accurate and timely data relevant to measures of its performance and information about significant changes to its operations and in the retention, archiving, retrieval and transfer of records as required.

3. Compliance with legislation

Kurnai College will comply with all relevant Commonwealth and State legislation and regulatory requirements as relevant to the RTO's operations and its scope of registration. The delegated person will ensure that staff and students are fully informed of these requirements where they affect their duties and participation in vocational education and training.

4. Insurance

Kurnai College holds public liability insurance as well as worker's compensation, building and contents insurances to safeguard their operations.

5. Financial Management

Accounts are certified by a qualified accountant to Australian Accounting Standards annually and a certificate of accounts can be provided on request or a full audit report of financial accounts from a qualified and independent accountant, if this is deemed necessary.

It is not necessary for Kurnai College to have processes in place in relation to protecting fees paid in advance as fees are not paid by individual students rather external schools who pay two instalments half yearly.

6. Certification and issuing of qualifications and Statements of Attainment

Kurnai College has a Certificate Issuance Procedure in place to ensure that information in relation to issuing qualifications and issuing statements of attainments is checked annually to AQF requirements.

7. Recognition of qualifications issued by other RTOs

Kurnai College recognises the AQF qualifications and statements of attainment issued by any other RTO and will seek verification of the certification from the relevant RTO where there is some ambiguity. Students are given information prior to beginning the course in the VET course booklet, and enrolment forms. Verification of the qualification will give the student exemption for the identified units of competency and student records will be updated accordingly.

8. Accuracy and integrity of marketing

The School/College is committed to ensuring that all marketing and advertising associated with AQF qualifications to prospective clients is ethical, accurate and consistent with its scope of registration and the NRT logo is used in accordance with specifications. Written permission for the use of student's images are collected on Cases – only consenting students from Kurnai College may have their image used for marketing

9. Transition to Training Packages/expiry of accredited courses

Kurnai College has registered with training.gov.au to receive updates on any changes to Training Packages on our scope of registration to ensure that Kurnai college delivers only currently endorsed Training Packages or currently accredited courses.

5 - VET Code of Practice

The purpose of this policy is to ensure Kurnai College manages its VET programs effectively and adheres to AQTF requirements. The provisions in this policy are mandatory for programs where the College is an RTO. Where programs are outsourced the College undertakes to work cooperatively with the responsible RTO to achieve the Policy aims.

Guidelines

The College will implement AQTF requirements and seek to achieve best practice in the following areas – Administration, Course delivery, staff, environment, qualifications, marketing, course selection processes (Recruitment), student grievances, quality assurance and general AQTF requirements.

Implementation

General AQTF Requirements

Kurnai College will:

- Maintain adequate and appropriate insurance including public liability and work cover.
- Advise VRQA in writing within 10 days of any changes to the information contained in the Registration application
- Allow the VRQA or its agent's access to training records, delivery locations and staff for the purpose of auditing performance or verifying compliance with the Conditions of Registration.
- Pay the VRQA all recognition fees within 30 days of these fees being due and payable.

6 - Recognition of Prior Learning

Recognition of Prior Learning (RPL) is the process of equating an individual's prior learning to the learning outcomes/units of competence offered by a training organisation. Recognition of Prior Learning (RPL) acknowledges the full range of an individual's skills and knowledge, irrespective of how

it has been acquired. This includes competencies gained through formal study, work experience, employment and other 'life' experiences.

Students wishing to apply for RPL are to meet and speak with the Principal and VET Coordinator in the first instance as minimum requirements need to be met prior to moving to the RPL application stage. If the prospective student is suitable to progress to the assessment stage for RPL, an application kit will be given to student for completion. Within the RPL kit states the process of the application.

Credit Transfer

Kurnai College recognises qualifications and statements of attainment issued by other Registered Training Organisations and will accept original certificates as proof of completion of whole Units of Competency. Certificates and Statements of Attainments may need to be verified by Kurnai College before Credit Transfer is granted.

QUALITY PROCEDURES

Access and equity procedures

Kurnai College is inclusive of all students regardless of sex, race, impairment, or any other factor. The Principal has access and equity as a nominated part of his duties.

Staff and students, in their induction are made aware of the RTO's access and equity policy.

Kurnai College will provide student information in the VET Course Booklet (Handbook) and through an induction process to each student on enrolment for a course. This will include:

- a. course information, including content and vocational outcomes
- b. provision for language, literacy and numeracy assistance
- c. student support, welfare and guidance services
- d. flexible learning and assessment procedures
- e. appeals and complaints procedures
- f. disciplinary procedures
- g. Credit transfer procedures
- h. recognition of AQF qualifications and statements of attainment issued by other RTOs
- i. confidentiality of student records and student access to records

Advertising and marketing procedures

Kurnai College will approve all advertising and marketing material referencing VET, with particular regard to:

- a. the content of courses that include VET qualifications, clearly identifying the VET qualification
- b. if another RTO provides a course for the organisation, the RTO is identified
- c. all VET qualifications advertised are within the RTO's scope of registration
- d. for any VET qualification delivered, the organisation has written permission to offer the course from its owner

- e. if the organisation advertises VET qualifications that it is seeking registration for, it clearly identifies that in the advertising, e.g. through a disclaimer ‘... this course is subject to registration and will only proceed once the school/college is registered’

Assessment procedures

In developing the assessment for each qualification, Kurnai College will ensure:

- a. compliance with the assessment guidelines from the relevant Training Package/ Accredited Course
- b. assessment leads to a qualification or statement of attainment under the AQF.
- c. assessment complies with the principles of competency-based assessment
- d. assessment is valid, reliable, flexible and fair and informs the student of the context and purpose of the assessment
- e. there is a focus on the application of knowledge and skills to the standard expected in the workplace, including skills for managing work tasks, contingencies and the job environment (e.g. dress, communicating with supervisors, etc.)
- f. sufficient evidence is gathered to enable a fair and accurate judgment of each student’s competence
- g. timely and appropriate feedback is given to students
- h. compliance with the school/college’s access and equity policy

Continual improvement procedures

A planned, systematic and documented process will be implemented to review all aspects of the school/college’s operation: to assess its compliance with the standards, to measure client satisfaction and to seek ways of improving training and assessment.

At meeting times throughout the year the school/college will:

- a. examine documents and systems such as policies and procedures, student and staff handbooks, teacher qualifications and staff profiles
- b. examine records of actual training conducted
- c. peruse a sample of student’s files
- d. analyse resources for delivery and assessment required by the relevant Training Packages and/or Accredited Course, including assessment tools
- e. conduct questionnaires with management, trainers, learners, employers
- f. report on student outcomes
- g. review Learning and Assessment Strategies and Partnership arrangements
- h. review risk assessment procedures
- i. review assessment process, methods and tools

Data will be gathered from student surveys, destination studies, questionnaires, interviews, industry representatives and staff delivering training and assessment at the school/college or in partnership with the school/college.

The senior campus leadership team will collect, collate and analyse data. The team will bring this information to meetings for discussion and to inform the school/college of performance criteria being achieved and/or areas requiring improvement. Recommendations for improvement and implementation timelines will be signed and noted. The school/college will use this data to improve its focus on continuous improvement and review of policies and procedures.

Sample agenda, list of performance indicators and minutes of meetings will be filed and stored.

The induction meeting and staff meetings will be used to inform teachers of recommendations. Implementation of recommendations will be noted at regular staff meetings.

Complaints

A complaint or grievance can be made to the school / RTO regarding the conduct of:

- ***the school RTO (Registered Training Organisation) staff***
- ***students of the RTO (Registered Training Organisation)***
- ***any third parties providing services on behalf of the school RTO (Registered Training Organisation)***

Procedures

1. If possible, the person with the grievance should discuss the matter directly with the person responsible.
2. If unresolved, or if it is not possible to approach the person responsible, the person with the grievance should contact a Person of Responsibility (Advocate, VET Coordinator for VET issues, Principal or HR Manager) to assist with informal resolution.
3. If resolution is still not reached, then a formal complaint should be made in writing to a Principal or HR Manager outlining the exact nature of the grievance in as much detail as possible.
4. The Principal or HR Manager will contact an appropriate independent person as outlined above to investigate. All people involved will be given the opportunity to give their side of the story.
5. The independent person investigating the grievance will make a written recommendation within five working days of hearing the matter.
6. If the person with the grievance is not satisfied with the outcome, he/she may appeal on the following grounds:
 - a. The case was not heard on its merits.
 - b. New evidence is available which could not reasonably be provided at the time of the original investigation.
7. The appeal must be made in writing to a Principal or HR Manager in the following format:
 - a. State the grounds on which the appeal is made.
 - b. Details of new evidence, if appropriate.
8. On receiving the written appeal, a Principal or HR Manager will check that the appeal complies with 6.a & 6.b. If, in the opinion of the Principal or HR Manager, the appeal does not comply with 6.a & 6.b, the matter will be referred to the College Principal to determine whether the appeal will be rejected or a Grievance Appeals Committee (comprised of staff from different campuses with differing roles and responsibilities) be convened to hear the appeal. Where the appeal is not rejected, it will be forwarded to the Grievance Appeal Committee.
9. A meeting of the Committee will be convened within 10 working days of the lodgement of the appeal. All participants will be given at least 5 working days' notice of the time, date, and place at which the appeal is to be heard.

10. The applicant will be given the opportunity to appear in person and may be accompanied by an advocate who is not a member of the Committee and is not a legal practitioner.
11. The applicant must be given the opportunity to hear any evidence of any witnesses called before the Committee.
12. The Committee must hear the matter on its merits, taking account of all the circumstances of the case.
13. After consideration all available evidence, the Committee shall reach its decision by consensus or by majority vote if consensus cannot be reached.
14. The Committee may:
 - a. Confirm the decision against which the appeal was lodged
 - b. Uphold the appeal.
15. The Committee will then document the decision and the reasons for the decision and send a copy of this document to all appropriate parties.
16. There is no further appeal against the decision of the Grievance Appeals Committee to any other officer or body within the College.

Confidentiality procedures

Information about a student, except as required by law or as required under the Standards for Registered Training Organisations, is not disclosed without the student's written permission and that of their parent or guardian if the student is less than 18 years of age.

Students have access to their personal records.

People external to the RTO who act on its behalf, e.g. on complaints committees or technical experts in internal audits, are made aware of these procedures before they begin work with the organisation.

Learning and assessment procedures

Learning and assessment strategies will be developed for the delivery and assessment of all VET courses by the relevant vocational area. These strategies will be developed in consultation with industry and will be validated and moderated through the continual improvement procedures.

The school/college will ensure it has access to the staff, facilities, equipment, training and assessment materials required to provide the training and/or assessment services within its scope of registration and scale of operations, to accommodate client numbers, client needs, delivery methods and assessment requirements.

All teachers of the qualification or course will document minutes of moderation meetings where they review, compare and evaluate the assessment processes, tools and evidence contributing to their judgments.

The teaching staff will review and evaluate the assessment processes, tools and evidence contributing to judgments at least annually. This committee will also review plans for the transition to new or revised Training Packages and Accredited Courses.

Kurnai College will ensure that students have access to all relevant physical resources as outlined in the relevant Training Package or Accredited Course. Staff are provided with the resources necessary to meet the physical resource requirements of the relevant Training Package or Accredited Course. If, for whatever reason, the school/college cannot maintain the relevant resources to deliver the Training Package or Accredited Course, Kurnai College will attempt to provide clients with alternative opportunities to complete the course and the related qualification. The school/college retains the right to cancel the course if it is unable to meet requirements.

Contracts

Where Kurnai College engages or is engaged by another organisation for VET assessment & training a written agreement will be completed with the other organisation. Kurnai College shall keep a copy of all such agreements and shall forward a copy of the agreement to the other organisation. (VET contracts are standard through the Department of Education (DET) with Baw Baw LLEN school cluster approved changes).

Written agreements with other organisations will include the following:

- a. the name and address of both organisations
- b. the name of the chief executive officer (CEO) of both organisations
- c. the name and contact details of the primary contact at the other organisation
- d. the program offered, including the relevant Training Package qualification or accredited course including code and the units of competency or modules, including the code and title
- e. a list of services offered by the other organisation, e.g. training and/or assessment
- f. a statement outlining the level of service offered
- g. signatures of the CEOs of both organisations
- h. dates for the period of the agreement
- i. fees related to the agreement.

Record-keeping procedures

Kurnai College has effective administrative and records management systems in place to secure the accuracy, integrity and currency of records, to keep documentation up to date, and to safeguard any confidential information obtained by the school/college and committees, individuals or organisations acting on its behalf.

Records are maintained of:

- student enrolments
- staff profiles detailing qualifications and industry experience
- all documentation necessary to develop, implement and maintain a quality system.

All current relevant documents are kept in the VET Coordinators office, in files on the computer or backed up to the administration U drive; the backup copy is securely stored.

Kurnai College will issue AQF qualifications and Statements of Attainments within thirty days of course completion. All qualifications and Statements of Attainment issued by the organisation will comply with the specified standards for the AQF and NRT logo specifications. All qualifications and statements of attainment issued will be saved and backed up to the administration U drive.

Student scripts are filed until the time for appeal expires: one term after the issuing of a Qualification or Statement of Attainment. Learning and Assessment Strategies, delivery materials, student information and assessment instruments related to a particular vocational area are listed on a Register of Documents and all versions electronically filed for the endorsement period of the Training Package or Accredited Course; usually seven years. Changes and modifications to materials should be evident, should reflect review recommendations and provide evidence towards continual improvement.

The teacher is responsible for recording student progress on student profiles. A student folio is used to gather evidence in relation to competency. All records are kept up-to-date and secure. Only the student has access to his or her records.

Risk management procedures

Kurnai College is responsible for assessing and managing risks associated with all aspects of the school operations, including that as an RTO. *See also Kurnai College OHS Policy & College risk assessment register.*

Version control procedures

All documents are to indicate the version number, location and date. Current versions should be communicated to all relevant staff. Trainers and /or the VET Coordinator reviews Learning and Assessment Strategies, staff profiles and qualifications, assessment tools, student profiles, subject specific promotional flyers and physical resource list.

All documents developed by the school/college will include a footer showing-

- version number
- date created

Kurnai College will ensure all industry areas within the College are consistent in the way they document version controls, record the version history of a document and ensure that all relevant people within the organisation are using the current version to inform their practices.

Version controls should be implemented for policies and procedures, website information and course information. The induction processes will ensure staff and students are aware of the current version of all documents and materials. The continual improvement procedure will review all materials and make recommendations for changes and hence the need for a new version to be developed.

Administration

Kurnai College will;

- Maintain systems for recording students' enrolments, attendance, completion, assessment outcome (*including results, qualification issued, grievances and the archiving of records. In the event that the Kurnai College ceases operations all records of results dating from the time the College commenced as an RTO ~~Private Provider~~ will be sent to VRQA – Australian Skills Quality Authority.*)
- Supply AQTF with delivery details for each training package qualification and unit of competence in the Scope of Registration and student details including enrolments, participations and completions in accordance with AQTF requirements.
- Maintain confidentiality of all records.

Course Delivery

Kurnai College will:

- Ensure that a current copy of the accredited course curriculum/endorsed Training Package and information regarding the program of study, availability of the learning resources and appropriate support services are available to students.
- Ensure that training and assessment occur in accordance with the requirements of the accredited course/training package.

Staff

Kurnai College will ensure that teachers and trainers have:

- Demonstrated competencies at least to the level of those being delivered.
- Demonstrated achievement of Certificate IV in Training & Assessment
- Industry experience that is current and relevant to the particular courses/training packages or units of competence that they are involved in delivering.

Kurnai College will ensure that:

- Responsibility for the management and coordination of training delivery, assessment, staff selection and professional development is clearly identified and undertaken by a person with relevant qualifications and experience.

Training Environment

Kurnai College will:

- Comply with all laws relevant to the operation of training premises including Occupational Health and Safety regulations.

Qualifications

Kurnai College will issue credentials and/or statements of attainment to students who satisfactorily complete the requirements of the accredited courses/training packages within the Scope of Registration. AQF guidelines to be followed.

- Testamur's and Record of Results will include the following:
 - Name of the provider & RTO Code as shown on the Certificate of Registration
 - Name of person receiving the qualification
 - Name of the course/training package qualification as shown on the Scope of Registration
 - Date issued
 - Authorised signatory of the Training Organisation
 - Imprint of the relevant training logos

Kurnai College will include the following information on a Statement of Attainment:

- Name of the RTO, RTO code as shown on the Certificate of Registration
- Name of the person receiving the qualification
- The words 'A Statement of Attainment is issued by a Registered Training Organisation when an individual has completed one or more accredited units'
- Name of the course/training package qualification as shown on the scope of registration with the list of units of competence achieved
- Logo of Issuing RTO organisation
- The words 'These competencies form part of '{code and title of qualification(s) / courses(s)'
- Authorised signatory of the Training Organisation
- Date Issued
- Imprint of the relevant training logos
- NRT (National Recognised Training) logo

Course Selection Process

Kurnai College will advise prospective students of its

- Scope of Registration
- Application processes and selection criteria
- Fees and costs involved in undertaking training

- Qualifications to be issued on completion or partial completion of courses
- Competencies to be achieved during training
- Assessment procedures
- Grievance Procedure
- Facilities and Equipment

Students are required to have a current VSN (Victorian Student Number) and are to supply their USI (Unique Student Identifier) number to Kurnai College (RTO). Results cannot be issued unless a USI is provided. An individual's USI account will allow all of their training records to be linked, ensuring the student's records are not lost. Instructions on how to apply for a USI are provided to students via 'What is VET' information sheet, VET Booklet and VET Application and Consent.

Kurnai College will enrol students in an ethical and responsible manner and ensure that application and processes are explicit and defensible, and equity and access principles are observed.

Certificate Issuance

Kurnai is responsible for complying with the requirements of the Australian Qualification Framework (AQF) to issue eligible students a Certificate and Record of results or Statement of attainment. Upon successful completion of all the units of competency in their course of study, students will be issued a Certificate and Record of results. A student who successfully completes some but not all of the units of competency in their course of study will be issued a Statement of Attainment indicating the units they have successfully completed.

Results procedure

1. Copy and paste last year's Certificates to new year certificate folder (Desktop / VET / Year required / Certificates / Blank certificate) and change dates to current year
2. Check AQF website for changes <http://www.aqf.edu.au>
3. Update certificates to AQF regulations if required
4. Copy and paste last year's Certificate Registers into current year certificate folder (Desktop / VET / Year required / Certificates / both IDMT and Sport & Recreation Register)
5. Update UoC's, certificate codes if required in Certificate Register
6. Update students in Certificate register from Instructors lists
7. Create new merge fields in certificates
8. Merge

3. Discuss the types of evidence that are used to make a judgment about competence in this unit. Compare different examples of evidence that have achieved a satisfactory outcome. Are the standards between different assessors and/or students consistent? If not, explain how consistency could be improved.

Recommendations for improvement (if applicable)

4. Are there discrepancies between the outcomes achieved by each student based on the evidence submitted for each task? Review and compare a range of students for each type of decision.

Recommendations for improvement (if applicable)

5. Have **consistent** assessment decisions been made? Compare and discuss the expectations between assessors based on the outcome and/or reasons given in the assessment recording tools.

Recommendations for improvement (if applicable)

6. Have the task instructions and/or evidence requirements been **clearly described**? Have they been interpreted differently by different students and/or assessors? Compare some examples.

Recommendations for improvement (if applicable)

7. Discuss the **fairness** of the assessment processes. When considering fairness, consider: do the assessment processes allow consideration of the individual student's needs and characteristics? Do they allow for reasonable adjustment? Is the information provided to the student clear and does it ensure the student is fully informed about the assessment process?

Recommendations for improvement (if applicable)

8. Discuss examples of **reasonable adjustments** that have been/ could be made to the assessments of this unit/topic. Is the guidance on reasonable adjustments useful? Where reasonable adjustments have been made, are they documented accurately?

--

Recommendations for improvement (if applicable)

9. Are the assessments **flexible**? When considering flexibility, consider: do the assessment methods cater for the individual needs of students? Do they allow for recognition of competencies no matter how, where or when they have been acquired? Do the assessment tasks draw on a range of methods appropriate to the context, competency and the student? Do the assessment tasks support continuous development of competency for the student?

--

Recommendations for improvement (if applicable)

10. What is the average number of attempts required before a student reaches a satisfactory assessment outcome? Compare a few examples and whether this is appropriate, could be improved and any strategies for improving or lowering the number of required attempts.

--

Recommendations for improvement (if applicable)

11. How do the assessments ensure that decisions are **reliable**?
